---

The Missouri Public Service Commission (Commission) has received your response to its deficiency notice regarding the **Tri-State Utility's 2012** Annual Report. The Commission Staff has reviewed the response and has verified that it correctly addresses all deficiencies reported. Therefore, no further response on behalf of the Company regarding Staff's initial review is required. This response has been reviewed only for procedural errors and omissions and is not a financial statement attested to by the Commission.

While your report has been initially accepted by the Commission, further reviews are possible based upon the types of information provided. Should a subsequent review reveal deficiencies not previously identified, you will be notified of the deficiencies and any actions you are required to take.

The above response is for informational purposes only and **DOES NOT REQUIRE A COMPANY RESPONSE**, however, if you have any questions, please feel free to contact me. When contacting the Commission concerning your report, please reference the following identification number: **BMAR-2013-1824**.

Sincerely,

*Roberta Grissum*
