Ms. Colleen M. Dale
Secretary/Chief Regulatory Law Judge
Missouri Public Service Commission
200 Madison Street, Suite 100
Jefferson City, MO 65102-0360

Dear Ms. Dale:

The accompanying tariff sheets issued by Union Electric Company d/b/a AmerenUE (AmerenUE or the Company), are being transmitted for filing as a revision of Schedule No. 2, Schedule of Rates for Gas Service:

<u>Filed</u>	<u>Canceling</u>
95th Revised Sheet No. 30	94th Revised Sheet No. 30
8th Revised Sheet No. 30.1	7th Revised Sheet No. 30.1
101st Revised Sheet No. 31	100th Revised Sheet No. 31
96th Revised Sheet No. 32	95th Revised Sheet No. 32

These tariff sheets are being issued October 17, 2008 to become effective on and after November 1, 2008.

These revised sheets include changes to Company's Purchased Gas Adjustment (PGA) Clause as approved by the Commission. They reflect adjustments to the Regular Purchased Gas Adjustment (RPGA) and Actual Cost Adjustment (ACA) factors for the Company's four Missouri service areas.

The changes in the PGA factors applicable to the Company's service areas, excluding the Rolla area, result from the combination of a decrease in the weighted average cost of gas and an increase in the ACA. The firm sales customers' PGA factors will decrease from 110.16¢/Ccf to 99.50¢/Ccf. The interruptible sales customers' PGA factors will decrease from 95.23¢/Ccf to 83.03¢/Ccf. The transportation PGA factor will remain unchanged at 0.00¢/Ccf.

The changes in the PGA factors applicable to the Company's Rolla service area (formerly Aquila's Eastern System) result from the combination of a decrease in the weighted average cost of gas and an increase in the ACA. The firm sales customers' PGA factor will decrease from 129.38¢/Ccf to 121.42¢/Ccf. The interruptible sales customers' PGA factor will decrease from 96.48¢/Ccf to 84.28¢/Ccf. The transportation PGA factor will remain unchanged at 0.00¢/Ccf.

We are enclosing workpapers supporting this filing with the copy of this filing being provided to the Staff. Certain of the work papers have been designated "Highly Confidential" since they contain market specific information directly relating to the natural gas markets where AmerenUE must compete for its gas supplies. AmerenUE requests that these papers be handled in a manner consistent with this designation.

Sincerely,

A handwritten signature in black ink, appearing to read "Steven Sullivan", with a stylized flourish underneath.

Enclosures
