Subject: Formal Complaint GC-2018-0159

Good afternoon. This is Lisa Lambert. I wanted to let the Missouri Public Service Commission know that on May 31, 2018, I and my husband filed for bankruptcy. Included in the bankruptcy is the balance Spire is claiming.

We have a case number. That number is 18-43581. I didn't want to send the copy we have from the bankruptcy court over as it includes personal and confidential information on it.
