Presiding Officer
Missouri Public Service Commission

RE: Case No. ER-2008-0093 – Late Filed Exhibit 32

Dear Judge Voss:

As discussed at the evidentiary hearing held on May 19, 2008, Empire District Electric requested leave to late file Exhibit 32. That exhibit, to be prepared by the Industrial Intervenor's witness Maurice Brubaker is to consist of case references from other jurisdictions in which a fuel adjustment clause sharing mechanism was implemented.

Enclosed for filing is a copy of Late Filed Exhibit 32. This Exhibit consists of an affidavit of Mr. Brubaker and accompanying documentation (tariffs, stipulations and testimony) from those jurisdictions enacting such a sharing mechanism. As indicated in that affidavit, sharing mechanisms have been implemented for Rocky Mountain Power, Montana-Dakota Utilities, Idaho Power Company, Portland General Electric, Avista Corporation and Puget Sound Energy. This Exhibit is not designed to be a comprehensive list of all such sharing mechanisms, but rather those sharing mechanisms with which Mr. Brubaker was familiar.

By this letter, the Industrial Intervenor's also offer Exhibit 32 for admission into the record.

I appreciate your attention to this matter.

Sincerely,

David Woodsmall
