Section 5.1. Organization; Power and Authority. The Company is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and is duly qualified as a foreign corporation and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company has the corporate power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute and deliver this Agreement and the Bonds and to perform the provisions hereof and thereof.

Section 5.2. Authorization, Etc.

(a) This Agreement, the Mortgage and the Supplemental Indenture have been duly authorized by all necessary corporate action on the part of the Company, and this Agreement, the Mortgage and the Supplemental Indenture constitute legal, valid and binding obligations of the Company enforceable against the Company in accordance with their terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

(b) The Bonds have been duly authorized by all necessary corporate action on the part of the Company, and when executed, authenticated and issued by the Company in accordance with the provisions of the Mortgage and delivered to and paid for by the Purchasers in accordance with the terms of this Agreement, will be entitled to the benefits and security of the Mortgage, and will be legal, valid and binding obligations of the Company, in each case, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

(c) The Mortgage constitutes a direct and valid first mortgage lien upon the properties and assets of the Company specifically or generally described or referred to in the Mortgage as being subject to the lien thereof and will create a similar lien upon all properties and assets acquired by the Company after the date hereof located in counties in which the Mortgage has been recorded and required by the Mortgage to be subjected to the lien of the Mortgage when

acquired by the Company, subject only to permitted encumbrances, prepaid liens and Prior liens (each as defined in the Mortgage). The Mortgage has been recorded in each county where such properties and assets of the Company as described above are located and the Company will cause the Mortgage to be recorded in each county where such properties and assets of the Company as described above are located when acquired. Schedule 5.2 attached hereto sets forth each county or recording or filing district in which any of the properties or assets of the Company subject to the lien of the Mortgage have been recorded as of the date hereof.

Section 5.3. Disclosure. The Company, through its agent, U.S. Bancorp Investments, Inc., has delivered to each Purchaser a copy of a Private Placement Memorandum, dated May 2015 (the “**Memorandum**”), relating to the transactions contemplated hereby. The Memorandum fairly describes, in all material respects, the general nature of the business and principal properties of the Company and its Subsidiaries. This Agreement, the Memorandum, the financial statements listed in Schedule 5.5 and the documents, certificates or other writings delivered to the Purchasers by or on behalf of the Company prior to May 21, 2015 in connection with the transactions contemplated hereby and identified in Schedule 5.3 (this Agreement, the Memorandum and such documents, certificates or other writings and such financial statements delivered to each Purchaser being referred to, collectively, as the “**Disclosure Documents**”), taken as a whole, do not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading in light of the circumstances under which they were made. Except as disclosed in the Disclosure Documents, since December 31, 2014, there has been no change in the financial condition, operations, business or properties of the Company or any Subsidiary except changes that could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 5.4. Organization and Ownership of Shares of Subsidiaries; Affiliates.

(a) Schedule 5.4 contains (except as noted therein) complete and correct lists of (i) the Company’s Subsidiaries, showing, as to each Subsidiary, the name thereof, the jurisdiction of its organization, and the percentage of shares of each class of its capital stock or similar equity interests outstanding owned by the Company and each other Subsidiary and (ii) the Company’s Controlled Affiliates, other than Subsidiaries.

(b) All of the outstanding shares of capital stock or similar equity interests of each Subsidiary shown in Schedule 5.4 as being owned by the Company and its Subsidiaries have been validly issued, are fully paid and non-assessable and are owned by the Company or another Subsidiary free and clear of any Lien (except as otherwise disclosed in Schedule 5.4).

(c) Each Subsidiary is a corporation or other legal entity duly organized, validly existing and, where applicable, in good standing under the laws of its jurisdiction of organization, and is duly qualified as a foreign corporation or other legal entity and, where applicable, is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each such Subsidiary has the corporate or other power and authority to own or hold under lease the properties it purports to own or hold under lease and to transact the business it transacts and proposes to transact.

Section 5.5. Financial Statements; Material Liabilities. The Company has delivered to each Purchaser copies of the financial statements of the Company and its Subsidiaries listed on Schedule 5.5. All of such financial statements (including in each case the related schedules and notes) fairly present in all material respects the consolidated financial position of the Company and its Subsidiaries as of the respective dates specified in such Schedule and the consolidated results of their operations and cash flows for the respective periods so specified and have been prepared in accordance with GAAP consistently applied throughout the periods involved except as set forth in the notes thereto (subject, in the case of any interim financial statements, to normal year-end adjustments). The Company and its Subsidiaries do not have any Material liabilities that are not disclosed on such financial statements or otherwise disclosed in the Disclosure Documents.

Section 5.6. Compliance with Laws, Other Instruments, Etc. The execution, delivery and performance by the Company of this Agreement, the Supplemental Indenture and the Bonds will not (a) except as would not reasonably be expected to result in a Material Adverse Effect, contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any property of the Company or any Subsidiary under, any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, corporate charter or by-laws or any other agreement or instrument to which the Company or any Subsidiary is bound or by which the Company or any Subsidiary or any of their respective properties may be bound or affected (other than the Lien created by the Mortgage), (b) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree, or ruling of any court, arbitrator or Governmental Authority applicable to the Company or any Subsidiary or (c) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Company or any Subsidiary.

Section 5.7. Governmental Authorizations, Etc. No consent, approval or authorization of, registration, filing or declaration with, any Governmental Authority, public authority or agency is required in connection with the issuance, sale or delivery of the Bonds or the execution, delivery or performance by the Company of this Agreement, the Mortgage, the Supplemental Indenture or the Bonds other than (a) those that have been made or obtained on or prior to the date hereof, (b) filings with the SEC on Form 8-K, Form 10-K and Form 10-Q, and (c) the recordings or filings, in respect of the Lien of the Mortgage, required under the Mortgage and the Supplemental Indenture.

Section 5.8. Litigation; Observance of Agreements, Statutes and Orders.

(a) There are no actions, suits, investigations or proceedings pending or, to the knowledge of the Company, threatened against or affecting the Company or any Subsidiary or any property of the Company or any Subsidiary in any court or before any arbitrator of any kind or before or by any Governmental Authority that could, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect or prevent consummation of the transactions contemplated hereby.

(b) Neither the Company nor any Subsidiary is (i) in default under any agreement or instrument to which it is a party or by which it is bound, (ii) in violation of any order, judgment, decree or ruling of any court, arbitrator or Governmental Authority or (iii) in violation of any

applicable law, ordinance, rule or regulation of any Governmental Authority (including, without limitation, Environmental Laws, the USA PATRIOT Act or any of the other laws and regulations that are referred to in Section 5.16), which default or violation could, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect or prevent consummation of the transactions contemplated hereby.

Section 5.9. Taxes. The Company and its Subsidiaries have filed all income tax returns that are required to have been filed in any jurisdiction, and have paid all taxes shown to be due and payable on such returns and all other taxes and assessments levied upon them or their properties, assets, income or franchises, to the extent such taxes and assessments have become due and payable and before they have become delinquent, except for any taxes and assessments (a) the amount of which, individually or in the aggregate, is not Material or (b) the amount, applicability or validity of which is currently being contested in good faith by appropriate proceedings and with respect to which the Company or a Subsidiary, as the case may be, has established adequate reserves in accordance with GAAP. The Company knows of no basis for any other tax or assessment that could, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The U.S. federal income tax liabilities of the Company and its Subsidiaries have been finally determined (by reason of the statute of limitations having run) for all fiscal years up to and including the fiscal year ended December 31, 2009.

Section 5.10. Title to Property; Leases.

(a) The Mortgaged Property constitutes substantially all of the property of the Company (other than excepted property as defined in the Mortgage). The Company and Empire Gas have good and sufficient title to their respective properties that individually or in the aggregate are Material, including all such properties reflected in the most recent audited balance sheet referred to in Section 5.5 or purported to have been acquired by the Company or Empire Gas after such date (except as sold or otherwise disposed of in the ordinary course of business), in each case free and clear of Liens prohibited by this Agreement. All real property that constitutes the Mortgaged Property is located in the States of Missouri, Kansas, Oklahoma or Arkansas. There is no outstanding Indebtedness of the Company or of any other Person for the purchase price or construction of, or for services, materials and supplies rendered or delivered in connection with the construction of, any property, or for current operations, that has or could become the basis of a Lien prior to the Lien of the Mortgage upon any or all of the Mortgaged Property, other than a permitted encumbrance, a prepaid lien or a Prior lien (each as defined in the Mortgage).

(b) The Company has the power of eminent domain which it may exercise, subject to the requirements of law, in order to acquire any additional property that is necessary for it to perform its responsibilities as a public service company.

(c) All Material leases are valid and subsisting and are in full force and effect in all material respects.

Section 5.11. Licenses, Permits, Etc. The Company and its Subsidiaries own or possess all licenses, permits, franchises, authorizations, patents, copyrights, proprietary software, service marks, trademarks and trade names, or rights thereto, that individually or in the aggregate

are Material, without known conflict with the rights of others, except for those conflicts that, individually or in the aggregate, would not have a Material Adverse Effect.

Section 5.12. Compliance with ERISA.

(a) The Company and each ERISA Affiliate have operated and administered each Plan in compliance with all applicable laws except for such instances of noncompliance as have not resulted in and could not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. Neither the Company nor any ERISA Affiliate has incurred any liability pursuant to Title IV (other than for the payment of premiums to the PBGC) or the penalty provisions of Title I of ERISA or the penalty or excise tax provisions of the Code relating to employee benefit plans (as defined in section 3 of ERISA), and no event, transaction or condition has occurred or exists that could, individually or in the aggregate, reasonably be expected to result in the incurrence of any such liability by the Company or any ERISA Affiliate, or in the imposition of any Lien on any of the rights, properties or assets of the Company or any ERISA Affiliate, in either case pursuant to Title IV or the penalty provisions of Title I of ERISA or to section 430(k) of the Code or to any such penalty or excise tax provisions under the Code or federal law or section 4068 of ERISA or by the granting of a security interest in connection with the amendment of a Plan, other than such liabilities or Liens as would not be individually or in the aggregate Material.

(b) The Company and its ERISA Affiliates have not incurred withdrawal liabilities under section 4201 or 4204 of ERISA, and are not subject to contingent withdrawal liabilities under section 4204 of ERISA, in respect of Multiemployer Plans that individually or in the aggregate are Material.

(c) The execution and delivery of this Agreement and the issuance and sale of the Bonds hereunder will not involve any transaction that is subject to the prohibitions of section 406(a) of ERISA or in connection with which a tax could be imposed pursuant to section 4975(c)(1)(A)-(D) of the Code. The representation by the Company to each Purchaser in the first sentence of this Section 5.12(c) is made in reliance upon and subject to the accuracy of such Purchaser's representation in Section 6.2 as to the sources of the funds to be used to pay the purchase price of the Bonds to be purchased by such Purchaser.

Section 5.13. Private Offering by the Company. Neither the Company nor anyone acting on its behalf has offered the Bonds or any similar Securities for sale to, or solicited any offer to buy the Bonds or any similar Securities from, or otherwise approached or negotiated in respect thereof with, any Person other than the Purchasers and not more than 10 other Institutional Investors, each of which has been offered the Bonds at a private sale for investment. In addition, from the date of this Agreement until the Closing and thereafter, so long as any of the Bonds are outstanding, the Company covenants that:

Section 10.1. Transactions with Affiliates. The Company will not and will not permit any Subsidiary to enter into directly or indirectly any transaction or group of related transactions involving aggregate payments in excess of \$120,000 (or such higher amount as equals the disclosure threshold for transactions with affiliates in proxy statements filed with the SEC) (including without limitation the purchase, lease, sale or exchange of properties of any kind or

the rendering of any service) with any Affiliate (other than the Company or another Subsidiary), except pursuant to the reasonable requirements of the Company's or such Subsidiary's business and upon fair and reasonable terms no less favorable to the Company or such Subsidiary than would be obtainable in a comparable arm's-length transaction with a Person not an Affiliate.

Section 10.2. Line of Business. The Company will not and will not permit any Subsidiary to engage in any business if, as a result, the general nature of the business in which the Company and its Subsidiaries, taken as a whole, would then be engaged would be substantially changed from the general nature of the business in which the Company and its Subsidiaries, taken as a whole, are engaged on the date of this Agreement.

Section 10.3. Terrorism Sanctions Regulations. The Company will not and will not permit any Controlled Entity (a) to knowingly become (including by virtue of being owned or controlled by a Blocked Person), own or control a Blocked Person or, to the knowledge of the Company, any Person that is the target of sanctions imposed by the United Nations or by the European Union, or (b) to knowingly have any investment in or engage in any dealing or transaction (including, without limitation, any investment, dealing or transaction involving the proceeds of the Bonds) with any Person if such investment, dealing or transaction (i) would cause any Purchaser or holder to be in violation of any law or regulation applicable to such Purchaser or holder, or (ii) is prohibited by or subject to sanctions under any U.S. Economic Sanctions, or (c) to knowingly engage in any activity that could subject such Person or any Purchaser or holder to sanctions under CISADA or any similar law or regulation with respect to Iran or any other country that is subject to U.S. Economic Sanctions.

Although it will not be a Default or an Event of Default if the Company fails to comply with any provision of Section 10 before or after giving effect to the issuance of the Bonds on a pro forma basis, if such a failure occurs, then any of the Purchasers may elect not to purchase the Bonds on the date of Closing that is specified in Section 3.

SECTION 11. EVENTS OF DEFAULT.

SECTION 12. REMEDIES ON DEFAULT, ETC.

In addition to any remedies provided in the Mortgage, each Purchaser shall have the remedies provided in this Section 12, notwithstanding any provision in the Mortgage to the contrary. In the event of any conflict between any provision in this Section 12 and the Mortgage, the provisions of this Section 12 shall control.

Section 12.1. Acceleration.

(a) If an Event of Default with respect to the Company described in Section 11(h) or (i) (other than an Event of Default described in clause (i) of Section 11(h) or described in clause (vi) of Section 11(h) by virtue of the fact that such clause encompasses clause (i) of Section 11(h)) has occurred, all the Bonds then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, the Required Holders may at any time at its or their option, by notice or notices to the Company, declare all the Bonds then outstanding to be immediately due and payable.

(c) If any Event of Default described in Sections 11(b) or 11(c), has occurred and is continuing, any holder or holders of Bonds at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Company, declare all the Bonds held by it or them to be immediately due and payable.

Upon any Bonds becoming due and payable under this Section 12.1, whether automatically or by declaration, such Bonds will forthwith mature and the entire unpaid principal amount of such Bonds, plus (x) all accrued and unpaid interest thereon (including, but not limited to, interest accrued thereon at the Default Rate) and (y) the Make-Whole Amount determined in respect of such principal amount (to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand,

protest or further notice, all of which are hereby waived. The Company acknowledges, and the parties hereto agree, that each holder of a Bond has the right to maintain its investment in the Bonds free from repayment by the Company (except as herein specifically provided for) and that the provision for payment of a Make-Whole Amount by the Company in the event that the Bonds are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances..

Section 12.2. Other Remedies. If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Bonds have become or have been declared immediately due and payable under Section 12.1 or the Mortgage or from the exercise of any remedies under the Mortgage, the holder of any Bond at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Bond, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

Section 12.3. Rescission. At any time after any Bonds have been declared due and payable pursuant to Section 12.1(b) or (c), the Required Holders, by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the Bonds, all principal of and Make-Whole Amount, if any, on any Bonds that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Bonds, at the Default Rate, (b) neither the Company nor any other Person shall have paid any amounts which have become due solely by reason of such declaration, (c) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17, and (d) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Bonds. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

Section 12.4. No Waivers or Election of Remedies, Expenses, Etc. No course of dealing and no delay on the part of any holder of any Bond in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement or any Bond upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 15, the Company will pay to the holder of each Bond on demand such further amount as shall be sufficient to cover all costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including, without limitation, reasonable attorneys' fees, expenses and disbursements.

SECTION 13. REGISTRATION; EXCHANGE; SUBSTITUTION OF BONDS AND CERTAIN SPECIAL RIGHTS.

Section 13.1. Registration of Bonds. The Company shall keep at the principal corporate trust office of the Principal Trustee a register for the registration and registration of

transfers of Bonds. The name and address of each holder of one or more Bonds, each transfer thereof and the name and address of each transferee of one or more Bonds shall be registered in such register. If any holder of one or more Bonds is a nominee, then (a) the name and address of the beneficial owner of such Bond or Bonds shall also be registered in such register as an owner and holder thereof and (b) at any such beneficial owner's option, either such beneficial owner or its nominee may execute any amendment, waiver or consent pursuant to this Agreement. Prior to due presentment for registration of transfer, the Person(s) in whose name any Bond(s) shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and neither the Company nor the Principal Trustee shall be affected by any notice or knowledge to the contrary. The Company shall give, or will cause the Principal Trustee to give, to any holder of a Bond that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Bonds.

Section 13.2. Transfer and Exchange of Bonds. Upon surrender of any Bond at the principal corporate trust office of the Principal Trustee for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Bond or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other information for notices of each transferee of such Bond or part thereof), within ten Business Days thereafter, the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Bonds (as requested by the holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Bond. Each such new Bond shall be payable to such Person as such holder may request and shall be substantially in the form provided in Exhibit 1. Each such new Bond shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Bond or dated the date of the surrendered Bond if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Bonds. Bonds shall not be transferred in denominations of less than \$100,000, provided that if necessary to enable the registration of transfer by a holder of its entire holding of Bonds, one Bond may be in a denomination of less than \$100,000. Any transferee, by its acceptance of a Bond registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in Section 6.2.

Section 13.3. Replacement of Bonds. Notwithstanding the provisions of Section 2.11 of the Mortgage, including, without limitation, the final sentence of the first paragraph thereof, upon receipt by the Company at the address and to the attention of the designated officer (all as specified in Section 18(iii)) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Bond (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (provided that if the holder of such Bond is, or is a nominee for, an original Purchaser or another holder of a Bond with a minimum net worth of at least \$50,000,000 or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

within ten Business Days thereafter, the Company at its own expense shall execute and deliver, in lieu thereof, a new Bond, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Bond or dated the date of such lost, stolen, destroyed or mutilated Bond if no interest shall have been paid thereon.

Section 13.4. Delivery Expenses. If a Purchaser surrenders any Bond to the Company or the Trustee pursuant to this Agreement or the Mortgage, or if the Company issues any new Bond pursuant to this Agreement or the Mortgage (other than pursuant to requests of holders for exchanges), the Company will pay the cost of delivering to or from such Purchaser's office from or to the Company or the Trustee, insured to such Purchaser's reasonable satisfaction, the surrendered Bond or Bonds and any Bond or Bonds issued in substitution or replacement for the surrendered Bond or Bonds, in each case insured to such Purchaser's reasonable satisfaction.

SECTION 14. PAYMENTS ON BONDS.

Section 14.1. Place of Payment. Subject to Section 14.2, payments of principal, Make-Whole Amount, if any, and interest becoming due and payable on the Bonds shall be made in New York, New York at the principal office of the Principal Trustee in such jurisdiction. The Company may at any time, by notice to each holder of a Bond, change the place of payment of the Bonds so long as such place of payment shall be either the principal office of the Company in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

Section 14.2. Home Office Payment. So long as any Purchaser or its nominee shall be the holder of any Bond, and notwithstanding anything contained in Section 14.1, in such Bond or in the Mortgage, including, without limitation, Section 4.02 of the Mortgage and Article 9 of the Mortgage, to the contrary, the Company will pay all sums becoming due on such Bond for principal, Make-Whole Amount, if any, interest and all other amounts becoming due hereunder by the method and at the address specified for such purpose below such Purchaser's name in Schedule A, or by such other method or at such other address as such Purchaser shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Bond or the making of any notation (including stamping) thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Bond, such Purchaser shall surrender such Bond for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any Bond held by a Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Bond to the Company in exchange for a new Bond or Bonds pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any Bond purchased by a Purchaser under this Agreement and that has made the same agreement relating to such Bond as the Purchasers have made in this Section 14.2.

SECTION 15. EXPENSES, ETC.

Section 15.1. Transaction Expenses. Whether or not the transactions contemplated hereby are consummated, the Company will pay all costs and expenses (including reasonable attorneys' fees of a single special counsel and, if reasonably required by the Required Holders following the Closing, local or other counsel) incurred by the Purchasers and each other holder of a Bond in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement or the Bonds (whether or not such amendment, waiver or consent becomes effective), including, without limitation: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement or the Bonds or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement or the Bonds, or by reason of being a holder of any Bond, (b) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Bonds and (c) the costs and expenses incurred in connection with the initial filing of this Agreement and all related documents and financial information with the SVO *provided*, that such costs and expenses under this clause (c) shall not exceed \$7,500. The Company will pay, and will save each Purchaser and each other holder of a Bond harmless from, all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Bonds).

Section 15.2. Survival. The obligations of the Company under this Section 15 will survive the payment or transfer of any Bond, the enforcement, amendment or waiver of any provision of this Agreement or the Bonds, and the termination of this Agreement.

SECTION 16. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Bonds, the purchase or transfer by any Purchaser of any Bond or portion thereof or interest therein and the payment of any Bond, and may be relied upon by any subsequent holder of a Bond, regardless of any investigation made at any time by or on behalf of such Purchaser or any other holder of a Bond. All statements contained in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement shall be deemed representations and warranties of the Company under this Agreement. Subject to the preceding sentence, this Agreement, the Mortgage, the Supplemental Indenture and the Bonds embody the entire agreement and understanding between each Purchaser and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

SECTION 17. AMENDMENT AND WAIVER.

Section 17.1. Requirements. This Agreement and the Bonds may be amended, and the observance of any term hereof or of the Bonds may be waived (either retroactively or prospectively), only with the written consent of the Company and the Required Holders, except that:

(a) no amendment or waiver of any of Sections 1, 2, 3, 4, 5, 6 or 21 hereof, or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in writing; and

(b) no amendment or waiver may, without the written consent of each Purchaser and the holder of each Bond at the time outstanding, (i) subject to Section 12 relating to acceleration or rescission and any similar provisions in the Mortgage, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of (x) interest on the Bonds or (y) the Make-Whole Amount, (ii) change the percentage of the principal amount of the Bonds the holders of which are required to consent to any amendment or waiver or the principal amount of the Bonds that the Purchasers are to purchase pursuant to Section 2 upon the satisfaction of the conditions to Closing that appear in Section 4, or (iii) amend any of Sections 8, 11(b), 11(c), 12, 17 or 20.

Section 17.2. Solicitation of Holders of Bonds.

(a) *Solicitation.* The Company will provide each Purchaser and each holder of a Bond with sufficient information, sufficiently far in advance of the date a decision is required, to enable such Purchaser and such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Bonds. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to this Section 17 to each Purchaser and each holder of a Bond promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite Purchasers or holders of Bonds.

(b) *Payment.* The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any Purchaser or holder of a Bond as consideration for or as an inducement to the entering into by such Purchaser or holder of any waiver or amendment of any of the terms and provisions hereof or of any Bond unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each Purchaser and holder of a Bond even if such Purchaser or holder did not consent to such waiver or amendment.

(c) *Consent in Contemplation of Transfer.* Any consent given pursuant to this Section 17 by a holder of a Bond that has transferred or has agreed to transfer its Bond to the Company, any Subsidiary or any Controlled Affiliate of the Company in connection with such consent shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all other holders of Bonds that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such holder.

Section 17.3. Binding Effect, Etc. Any amendment or waiver consented to as provided in this Section 17 applies equally to all Purchasers and holders of Bonds and is binding upon them and upon each future holder of any Bond and upon the Company without regard to whether such Bond has been marked to indicate such amendment or waiver. No such amendment or

waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and any Purchaser or holder of a Bond and no delay in exercising any rights hereunder or under any Bond shall operate as a waiver of any rights of any holder of such Bond.

Section 17.4. Bonds Held by Company, Etc. Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Bonds then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement or the Bonds, or have directed the taking of any action provided herein or in the Bonds to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Bonds then outstanding, Bonds directly or indirectly owned by the Company or any of its Affiliates shall be deemed not to be outstanding.

SECTION 18. NOTICES.

Except to the extent otherwise provided in Section 7.4, all notices and communications provided for hereunder shall be in writing and sent (a) by telecopy if the sender on the same day sends a confirming copy of such notice by a nationally recognized overnight delivery service (charges prepaid), or (b) by registered or certified mail with return receipt requested (postage prepaid), or (c) by a nationally recognized overnight delivery service (with charges prepaid). Any such notice must be sent:

- (i) if to any Purchaser or its nominee, to such Purchaser or nominee at the address specified for such communications in Schedule A, or at such other address as such Purchaser or nominee shall have specified to the Company in writing,
- (ii) if to any other holder of any Bond, to such holder at such address as such other holder shall have specified to the Company in writing, or
- (iii) if to the Company, to the Company at its address set forth at the beginning hereof to the attention of the Chief Financial Officer, or at such other address as the Company shall have specified to the holder of each Bond in writing.

Notices under this Section 18 will be deemed given only when actually received.

SECTION 19. REPRODUCTION OF DOCUMENTS.

This Agreement and all documents relating thereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser at the Closing (except the Bonds themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, electronic, digital, or other similar process and such Purchaser may destroy any original document so reproduced. The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was

made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit the Company or any other holder of Bonds from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

SECTION 20. CONFIDENTIAL INFORMATION.

For the purposes of this Section 20, “**Confidential Information**” means information delivered to any Purchaser by or on behalf of the Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement that is proprietary in nature and that was clearly marked or labeled or otherwise adequately identified when received by such Purchaser as being confidential information of the Company or such Subsidiary, provided that such term does not include information that (a) was publicly known or otherwise known to such Purchaser prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any Person acting on such Purchaser’s behalf, (c) otherwise becomes known to such Purchaser other than through disclosure by the Company or any Subsidiary or (d) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available. Each Purchaser will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by such Purchaser in good faith to protect confidential information of third parties delivered to such Purchaser, provided that such Purchaser may deliver or disclose Confidential Information to (i) its directors, officers, employees, agents, attorneys, trustees and affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by its Bonds), (ii) its auditors, financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with this Section 20, (iii) any other holder of any Bond, (iv) any Institutional Investor to which it sells or offers to sell such Bond or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by this Section 20), (v) any Person from which it offers to purchase any Security of the Company (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by this Section 20), (vi) any federal or state regulatory authority having jurisdiction over such Purchaser, (vii) the NAIC or the SVO or, in each case, any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser’s investment portfolio, or (viii) any other Person to which such delivery or disclosure may be necessary or appropriate (w) to effect compliance with any law, rule, regulation or order applicable to such Purchaser, (x) in response to any subpoena or other legal process, (y) in connection with any litigation to which such Purchaser is a party or (z) if an Event of Default has occurred and is continuing, to the extent such Purchaser may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Purchaser’s Bonds or this Agreement. Each holder of a Bond, by its acceptance of a Bond, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 20 as though it were a party to this Agreement. On reasonable request by the Company in connection with the delivery to any holder of a Bond of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Company embodying this Section 20.

SECTION 21. SUBSTITUTION OF PURCHASER.

Each Purchaser shall have the right to substitute any one of its Affiliates or another Purchaser or any one of such other Purchaser's Affiliates (a "Substitute Purchaser") as the purchaser of the Bonds that it has agreed to purchase hereunder, by written notice to the Company, which notice shall be signed by both such Purchaser and such Substitute Purchaser, shall contain such Substitute Purchaser's agreement to be bound by this Agreement and shall contain a confirmation by such Substitute Purchaser of the accuracy with respect to it of the representations set forth in Section 6. Upon receipt of such notice, any reference to such Purchaser in this Agreement (other than in this Section 21), shall be deemed to refer to such Substitute Purchaser in lieu of such original Purchaser. In the event that such Substitute Purchaser is so substituted as a Purchaser hereunder and such Substitute Purchaser thereafter transfers to such original Purchaser all of the Bonds then held by such Substitute Purchaser, upon receipt by the Company of notice of such transfer, any reference to such Substitute Purchaser as a "Purchaser" in this Agreement (other than in this Section 21), shall no longer be deemed to refer to such Substitute Purchaser, but shall refer to such original Purchaser, and such original Purchaser shall again have all the rights of an original holder of the Bonds under this Agreement.

SECTION 22. MISCELLANEOUS.

Section 22.1. Successors and Assigns. All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including, without limitation, any subsequent holder of a Bond) whether so expressed or not.

Section 22.2. Accounting Terms. All accounting terms used herein which are not expressly defined in this Agreement have the meanings respectively given to them in accordance with GAAP. Except as otherwise specifically provided herein, (i) all computations made pursuant to this Agreement shall be made in accordance with GAAP, and (ii) all financial statements shall be prepared in accordance with GAAP.

Section 22.3. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction..

Section 22.4. Construction, Etc. Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. 181 [FORM OF BOND]
182 [REVERSE]

183 This bond is one of an issue of bonds of the Company, known as its First Mortgage
184 Bonds, issued and to be issued in one or more series under and equally and ratably secured (except as any
185 sinking, amortization, improvement or other fund established in accordance with the provisions of the
186 indenture hereinafter mentioned may afford additional security for the bonds of any particular series) by a
187 certain indenture of mortgage and deed of trust, dated as of September 1, 1944, made by the Company to
188 The Bank of New York Mellon Trust Company, N.A. (the "Principal Trustee") and UMB Bank & Trust,
189 N.A., as Trustees (hereinafter collectively called the "Trustees"), as supplemented from time to time (said
190 indenture of mortgage and deed of trust and all indentures supplemental thereto being hereinafter collec-
191 tively called the "Indenture"), to which Indenture reference is hereby made for a description of the prop-
192 erty mortgaged, the nature and extent of the security, the rights and limitations of rights of the Company,
193 the Trustees, and the holders of said bonds, and the terms and conditions upon which said bonds are se-
194 cured, to all of the provisions of which Indenture, including the provisions permitting the issuance of
195 bonds of any series for property which, under the restrictions and limitations therein specified, may be
196 subject to liens prior to the lien of the Indenture, the holder, by accepting this bond, assents. This bond is
197 one of a series of bonds designated as the First Mortgage Bonds, 3.59% Series due 2030, of the Company.
198 The bonds of this series are also subject to the terms and conditions of the Bond Purchase Agreement.

199 The Company may, at its option, redeem some or all of the bonds of this series at any
200 time; provided, that the Company may not redeem less than 5% of the aggregate principal amount of the
201 bonds of this series then outstanding in the case of a partial redemption. If the Company redeems the
202 bonds of this series prior to their maturity, the Company must pay the holders thereof a redemption price
203 equal to 100% of the principal amount of the bonds of this series to be redeemed and a "Make-Whole
204 Amount", which will be calculated as described below.

205 "Make-Whole Amount" means, with respect to any First Mortgage Bonds, 3.59% Series due
206 2030, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled
207 Payments with respect to the Called Principal of such First Mortgage Bonds, 3.59% Series due
208 2030 over the amount of such Called Principal, provided that the Make-Whole Amount may in no
209 event be less than zero. For the purposes of determining the Make-Whole Amount, the following
210 terms have the following meanings:

211 "Called Principal" means, with respect to any First Mortgage Bonds, 3.59% Series due 2030,
212 the principal of such First Mortgage Bonds, 3.59% Series due 2030 that is to be redeemed or
213 has become or is declared to be immediately due and payable pursuant to the terms of the
214 Bond Purchase Agreement.

215 "Discounted Value" means, with respect to the Called Principal of any First Mortgage
216 Bonds, 3.59% Series due 2030, the amount obtained by discounting all Remaining Sched-
217 uled Payments with respect to such Called Principal from their respective scheduled due
218 dates to the Settlement Date with respect to such Called Principal, in accordance with ac-
219 cepted financial practice and at a discount factor (applied on the same periodic basis as that
220 on which interest on the First Mortgage Bonds, 3.59% Series due 2030 is payable) equal to
221 the Reinvestment Yield with respect to such Called Principal.

222 "Reinvestment Yield" means, with respect to the Called Principal of any First Mortgage
223 Bonds, 3.59% Series due 2030, 0.50% over the yield to maturity implied by (i) the yields re-
224 ported as of 10:00 a.m. (New York City time) on the second Business Day (as defined in the
225 Bond Purchase Agreement) preceding the Settlement Date with respect to such Called Prin-

226 cipal, on the display designated as “Page PX1” (or such other display as may replace Page
227 PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-
228 run U.S. Treasury securities (“Reported”) having a maturity equal to the Remaining Average
229 Life of such Called Principal as of such Settlement Date. If there are no such U.S. Treasury
230 securities Reported having a maturity equal to such Remaining Average Life, then such im-
231 plied yield to maturity will be determined by (a) converting U.S. Treasury bill quotations to
232 bond equivalent yields in accordance with accepted financial practice and (b) interpolating
233 linearly between the yields Reported for the applicable most recently issued actively traded
234 on-the-run U.S. Treasury securities with the maturities (1) closest to and greater than such
235 Remaining Average Life and (2) closest to and less than such Remaining Average Life. The
236 Reinvestment Yield shall be rounded to the number of decimal places as appears in the inter-
237 est rate of the First Mortgage Bonds.

238 If such yields are not Reported or the yields Reported as of such time are not ascertainable
239 (including by way of interpolation), then “Reinvestment Yield” means, with respect to the
240 Called Principal of any First Mortgage Bonds, 0.50% over the yield to maturity implied by
241 the U.S. Treasury constant maturity yields reported, for the latest day for which such yields
242 have been so reported as of the second Business Day preceding the Settlement Date with re-
243 spect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any compara-
244 ble successor publication) for the U.S. Treasury constant maturity having a term equal to the
245 Remaining Average Life of such Called Principal as of such Settlement Date. If there is no
246 such U.S. Treasury constant maturity having a term equal to such Remaining Average Life,
247 such implied yield to maturity will be determined by interpolating linearly between (1) the
248 U.S. Treasury constant maturity so reported with the term closest to and greater than such
249 Remaining Average Life and (2) the U.S. Treasury constant maturity so reported with the
250 term closest to and less than such Remaining Average Life. The Reinvestment Yield shall
251 be rounded to the number of decimal places as appears in the interest rate of the First Mort-
252 gage Bonds.

253 “Remaining Average Life” means, with respect to any Called Principal, the number of years
254 obtained by dividing (i) such Called Principal into (ii) the sum of the products obtained by
255 multiplying (a) the principal component of each Remaining Scheduled Payment with respect
256 to such Called Principal by (b) the number of years, computed on the basis of a 360-day year
257 composed of twelve 30-day months and calculated to two decimal places, that will elapse be-
258 tween the Settlement Date with respect to such Called Principal and the scheduled due date
259 of such Remaining Scheduled Payment.

260 “Remaining Scheduled Payments” means, with respect to the Called Principal of any First
261 Mortgage Bonds, 3.59% Series due 2030, all payments of such Called Principal and interest
262 thereon that would be due after the Settlement Date with respect to such Called Principal if
263 no payment of such Called Principal were made prior to its scheduled due date, provided that
264 if such Settlement Date is not a date on which interest payments are due to be made under
265 the First Mortgage Bonds, 3.59% Series due 2030, then the amount of the next succeeding
266 scheduled interest payment will be reduced by the amount of interest accrued to such Set-
267 tlement Date and required to be paid on such Settlement Date.

268 “Settlement Date” means, with respect to the Called Principal of any First Mortgage Bonds,
269 3.59% Series due 2030, the date of redemption or the date on which such Called Principal
270 has become or is declared to be immediately due and payable pursuant to the terms of the
271 Bond Purchase Agreement, as the context requires.

272 When the Company redeems the bonds or the bonds become or are declared to be imme-
273 diately due and payable, the Company must also pay all interest on such bonds that has accrued to such
274 Settlement Date.

275 The Company shall give written notice to holders of bonds of this series to be redeemed
276 by first-class mail at least 30 days but not more than 60 days prior to the date fixed for redemption. Each
277 such notice shall specify such date (which shall be a Business Day (as defined in the Bond Purchase
278 Agreement)), the aggregate principal amount of the First Mortgage Bonds to be prepaid on such date, the
279 principal amount of the First Mortgage Bonds held by such holder to be prepaid (determined in accord-
280 ance with Section 8.2 of the Bond Purchase Agreement), and the interest to be paid on the redemption
281 date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a
282 Senior Financial Officer as to the estimated Make-Whole Amount due in connection with such prepay-
283 ment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of
284 such computation. Two Business Days prior to such prepayment, the Company shall deliver to each
285 holder of First Mortgage Bonds a certificate of a Senior Financial Officer specifying the calculation of
286 such Make-Whole Amount as of the specified redemption date.

287 In the case of each partial redemption of the First Mortgage Bonds of this series, the prin-
288 cipal amount of the First Mortgage Bonds of this series to be prepaid shall be allocated among all of the
289 First Mortgage Bonds of this series at the time outstanding in proportion, as nearly as practicable, to the
290 respective unpaid principal amounts thereof not theretofore called for redemption.

291 In the case of each redemption of First Mortgage Bonds of this series pursuant to the
292 terms hereof, the principal amount of each bond to be prepaid shall mature and become due and payable
293 on the date fixed for such prepayment, together with interest on such principal amount accrued to such
294 date and the applicable Make-Whole Amount, if any. From and after such date, unless the Company shall
295 fail to pay such principal amount when so due and payable, together with the interest and Make-Whole
296 Amount, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any First Mortgage
297 Bonds of this series paid or prepaid in full shall be surrendered to the Company and cancelled and shall
298 not be reissued.

299 The principal of this bond may be declared or may become due before the maturity here-
300 of, on the conditions, in the manner and at the times set forth in (i) the Indenture, upon the happening of a
301 default, as therein defined or (ii) the Bond Purchase Agreement, upon the happening of an Event of De-
302 fault, as therein defined.

303 This bond is transferable by the registered owner hereof in person or by his duly author-
304 ized attorney at the principal corporate trust office of the Principal Trustee, upon surrender and cancella-
305 tion of this bond, and thereupon one or more new bonds of this series (as requested by the holder thereof),
306 in an aggregate principal amount equal to the unpaid principal amount of the surrendered bond(s), will be
307 issued to the transferee in exchange therefor, as provided in, and subject to the terms of, the Indenture and
308 the Bond Purchase Agreement. If this bond is transferred or exchanged between a record date, as defined
309 in the aforementioned Forty-First Supplemental Indenture and the interest payment date in respect there-
310 of, the new bond or bonds shall bear interest from such interest payment date unless the interest payable
311 on such date is not duly paid or provided for on such date. The Company and the Trustees and any pay-
312 ing agent may deem and treat the person in whose name this bond is registered as the absolute owner
313 hereof for the purpose of receiving payment as herein provided and for all other purposes. This bond,
314 alone or with other bonds of this series, may in like manner be exchanged at such office or agency for one
315 or more new bonds of this series in authorized denominations, of the same aggregate principal amount, all
316 as provided in the Indenture and the Bond Purchase Agreement. Upon each such transfer or exchange the
317 Company may require the payment of any stamp or other tax or governmental charge incident thereto.

318 No recourse under or upon any covenant or obligation of the Indenture or the Bond Pur-
319 chase Agreement, or of any bonds thereby secured, or for any claim based thereon, or otherwise in any
320 manner in respect thereof, shall be had against any incorporator, subscriber to the capital stock, stock-
321 holder, officer or director, as such, of the Company, whether former, present or future, either directly, or
322 indirectly through the Company or the Trustees or either of them, by the enforcement of any subscription
323 to capital stock, assessment or otherwise, or by any legal or equitable proceeding by virtue of any statute
324 or otherwise (including, without limiting the generality of the foregoing, any proceeding to enforce any
325 claimed liability of stockholders of the Company based upon any theory of disregarding the corporate
326 entity of the Company or upon any theory that the Company was acting as the agent or instrumentality of
327 the stockholders), any and all such liability of incorporators, stockholders, subscribers, officers and direc-
328 tors, as such, being released by the holder hereof, by the acceptance of this bond, and being likewise
329 waived and released by the terms of the Indenture under which this bond is issued.

413 **ARTICLE I**
414 **CREATION AND DESCRIPTION OF FIRST MORTGAGE BONDS,**
415 **3.59% SERIES DUE 2030**

416 Section 1. A new series of bonds to be issued under and secured by the Indenture is
417 hereby created, to be designated as First Mortgage Bonds, 3.59% Series due 2030 (herein sometimes
418 called the “Bonds of the New Series” or “Bonds”). The Bonds of the New Series shall be issued in an
419 aggregate principal amount of Sixty Million Dollars (\$60,000,000) on the Closing (as defined in the Bond
420 Purchase Agreement), excluding any Bonds of the New Series which may be authenticated in lieu of or in
421 substitution or exchange for other Bonds of the New Series pursuant to the provisions of *Article 2* or of
422 § 15.09 of the Original Indenture. Said Bonds and the certificate of authentication of the Principal Trust-
423 tee to be endorsed upon the Bonds shall be substantially in the forms hereinbefore recited, respectively.
424 Each Bond shall be dated as of the date of its authentication and all Bonds of the New Series shall mature
425 August 20, 2030 and shall bear interest at the rate of 3.59% per annum payable semi-annually on each
426 February 20 and August 20, commencing on February 20, 2016. Interest on interest and principal which
427 is overdue shall bear interest at that rate of interest that is 2.00% per annum above the rate of interest
428 specified in the title of the Bonds (the “Default Rate”). Both principal and interest shall be payable at the
429 principal office of the Principal Trustee in New York, New York, and in any coin or currency of the Unit-
430 ed States of America which at the time of payment shall be legal tender for the payment of public and
431 private debts.

432 The holder of any Bond on any record date (as hereinbelow defined) with respect to any
433 interest payment date shall be entitled to receive the interest payable on such interest payment date not-
434 withstanding the cancellation of such Bond upon any exchange or transfer thereof subsequent to the rec-
435 ord date and prior to such interest payment date, except if and to the extent that the Company shall default
436 in the payment of the interest due on such interest payment date, in which case such defaulted interest
437 shall be paid to the person in whose name such Bond (or any Bond or Bonds issued upon transfer or ex-
438 change thereof) is registered on a date fixed by the Company, which shall be not more than fifteen and not
439 less than ten days before the date of payment of such defaulted interest. The term “record date” as used in
440 this Section with respect to any interest payment date shall mean the close of business on February 5 or
441 August 5, as the case may be, next preceding such interest payment date, whether or not such record date
442 shall be Business Day (as defined in the Bond Purchase Agreement).

443 The Company shall not be required to make any transfer or exchange of any Bonds for a
444 period of ten days next preceding any selection of Bonds for redemption, nor shall it be required to make
445 transfers or exchanges of any bonds which shall have been selected for redemption in whole or in part.

446 Bonds of the New Series shall be registered Bonds in definitive form without coupons in
447 denominations of \$100,000 and integral multiples of \$1,000 in excess thereof which may be executed by
448 the Company and delivered to the Principal Trustee for authentication and delivery.

449 The Bonds of the New Series shall be registrable and interchangeable at the principal
450 corporate trust office of the Principal Trustee, in the manner and upon the terms set forth in Section 13 of
451 the Bond Purchase Agreement and § 2.05 of the Original Indenture, upon payment of such an amount as
452 shall be sufficient to reimburse the Company for, or to pay, any stamp or other tax or governmental
453 charge incident thereto.

454 Notwithstanding the provisions of § 2.08 of the Original Indenture, but subject to Section
455 13.4 of the Bond Purchase Agreement, no service or other charge shall be made for any exchange or
456 transfer of any Bond of the New Series.

457 Section 2. The Bonds of the New Series shall be executed by the Company and de-
458 livered to the Principal Trustee and, upon compliance with all the provisions and requirements of the
459 Original Indenture in respect thereof, the Bonds of the New Series may, from time to time, be authenticat-
460 ed by the Principal Trustee and delivered (without awaiting the filing or recording of this Supplemental
461 Indenture) in accordance with the written order or orders of the Company.

462 **ARTICLE II**

463 **OPTIONAL REDEMPTION OF BONDS OF THE NEW SERIES**

464
465 Section 1. The Bonds of the New Series, in the manner provided in *Article 5* of the
466 Original Indenture, shall be redeemable at any time prior to maturity, in whole or in part, at the option of
467 the Company, at the principal amount of the bonds to be redeemed and a Make-Whole Amount, together
468 with accrued and unpaid interest, if any, to the date fixed for redemption; provided, that the Company
469 may not redeem less than 5% of the aggregate principal amount of the Bonds of the New Series then out-
470 standing in the case of a partial redemption.

471 Section 2. The provisions of § 5.03, § 5.04 and § 5.05 of the Original Indenture (as
472 modified by the terms of the Bond Purchase Agreement and the provisions specified in the form of Bond
473 set forth in this Supplemental Indenture) shall be applicable to Bonds of the New Series. The principal
474 amount of Bonds of the New Series registered in the name of any holder and to be redeemed on any par-
475 tial redemption shall be \$1,000, or a multiple thereof.

476 Section 3. The holder of each and every Bond of the New Series issued hereunder
477 hereby, and by accepting the Bond, agrees to accept payment thereof prior to maturity on the terms and
478 conditions provided for in this Article II.

479 **ARTICLE III**

480 **BOND PURCHASE AGREEMENT**

481
482 Section 1. Reference is made to Sections 7, 8, 9, 10, 11, 12, 13, 14 and 17 of the
483 Bond Purchase Agreement for certain provisions governing the rights and obligations of the Company,
484 the Trustee and the holders of the Bonds. Such provisions are deemed to be incorporated in this Article
485 III by reference as if set forth herein at length, so long as any of the Bonds remain outstanding.

486 **ARTICLE IV**

487 **CHANGE OF CONTROL**

488
489 Section 1. So long as any of the Bonds remain outstanding, the Company will, within
490 five Business Days after any Responsible Officer (as defined in the Bond Purchase Agreement) becoming
491 aware of the occurrence of any Change of Control (as defined below), give written notice of such Change
492 of Control to the Principal Trustee and to each holder of the Bonds. If a Change of Control has occurred,
493 such notice shall contain and constitute an offer to purchase the Bonds as described in Section 2 of this
494 Article IV and shall be accompanied by the certificate described in Section 5 of this Article IV.

495 Section 2. The offer to purchase the Bonds contemplated by Section 1 of this Article
496 IV shall be an offer to purchase, in accordance with and subject to this Article IV, all, but not less than all,
497 Bonds held by each holder (in this case, "holder" in respect of any Bonds registered in the name of a
498 nominee for a disclosed beneficial owner shall mean such beneficial owner) on a date specified in such

499 offer (the “Proposed Purchase Date”), which date shall be not less than 30 days and not more than 60 days
500 after the date of such offer.

501 Section 3. A holder of Bonds may accept or reject the offer to purchase made pursu-
502 ant to this Article IV by causing a notice of such acceptance or rejection to be delivered to the Company
503 at least five Business Days prior to the Proposed Purchase Date. A failure by a holder of Bonds to so re-
504 spond to an offer to purchase made pursuant to this Article IV shall be deemed to constitute a rejection of
505 such offer by such holder.

506 Section 4. Purchase of the Bonds to be purchased pursuant to this Article IV shall be
507 at 100% of the principal amount of such Bonds, together with accrued and unpaid interest on such Bonds
508 accrued to the date of purchase, but without any Make-Whole Amount. The purchase shall be made on
509 the Proposed Purchase Date.

510 Section 5. Each offer to purchase the Bonds pursuant to this Article IV shall be ac-
511 companied by a certificate, executed by a Senior Financial Officer (as defined in the Bond Purchase
512 Agreement) and dated the date of such offer, specifying (1) the Proposed Purchase Date, (2) that such of-
513 fer is made pursuant to this Article IV, (3) the principal amount of each Bond offered to be purchased,
514 (4) the interest that would be due on each Bond offered to be purchased, accrued to the Proposed Pur-
515 chase Date, (5) that the conditions of this Article IV have been fulfilled and (6) in reasonable detail, the
516 nature and date of the Change of Control.

517 Section 6. “Change of Control” shall mean, in respect of the Company, if (1)(i) any
518 person (as such term is used in Section 13(d) and Section 14(d)(2) of the Securities Exchange Act of
519 1934, as in effect on the date of the Closing (for purposes of this Article IV, the “Exchange Act”) or re-
520 lated persons constituting a group (as such term is used in Section 13d-5 under the Exchange Act), be-
521 comes the “beneficial owners” (as such term is used in Rule 13d-3 under the Exchange Act), directly or
522 indirectly, of more than 50% of the total voting power of all classes then outstanding of the voting stock
523 of the Company or (ii) the Company sells, leases, transfers, conveys or otherwise disposes of (including
524 by way of merger or consolidation), in one or a series of related transactions, all or substantially all of its
525 assets to any person (as such term is used in Sections 13(d) and 14(d) of the Exchange Act) and (2) after
526 giving effect to the occurrence of any such event, the Company or the person (as such term is used in Sec-
527 tions 13(d) and 14(d) of the Exchange Act) that has acquired all or substantially all of the assets of the
528 Company, shall (i) have an unsecured (unenhanced) long-term debt rating of (x) “BB+” or lower by
529 Standard & Poor’s, a division of The McGraw-Hill Companies, Inc. (“S&P”) or (y) “Ba1” or lower by
530 Moody’s Investors Service, Inc. (“Moody’s”) or (ii) be rated by neither S&P nor Moody’s.

531 **ARTICLE V**

532 **NO SINKING AND IMPROVEMENT FUND FOR BONDS OF THE NEW SERIES**

534 There shall be no Sinking and Improvement Fund for the Bonds of the New Series.

535 **ARTICLE VI**

536 **DIVIDENDS AND SIMILAR DISTRIBUTIONS**

538 The Company hereby covenants that, so long as any of the Bonds of the New Series shall
539 remain outstanding, the covenants and agreements of the Company set forth in *Section 4.11* of the Ori-
540 ginal Indenture as heretofore supplemented shall be and remain in full force and effect and be duly ob-

541 served and complied with by the Company, notwithstanding that no First Mortgage Bonds, 3½% Series
542 due 1969, remain outstanding.

543 **ARTICLE VII**

544
545 **THE TRUSTEES**

546 The Trustees accept the trusts created by this Supplemental Indenture upon the terms and
547 conditions hereof and agree to perform such trusts upon the terms and conditions set forth in the Original
548 Indenture as heretofore supplemented and in this Supplemental Indenture set forth. In general, each and
549 every term and condition contained in *Article 13* of the Original Indenture shall apply to this Supple-
550 mental Indenture with the same force and effect as if the same were herein set forth in full, with such
551 omissions, variations and modifications thereof as may be appropriate to make the same conform to this
552 Supplemental Indenture.

553 **ARTICLE VIII**

554
555 **MISCELLANEOUS PROVISIONS**

556 Section 1. If the date for making any payment of principal, interest or premium (in-
557 cluding Make-Whole Amount), if any, as provided in this Supplemental Indenture, shall not be a Business
558 Day, such payment may be made on the next succeeding Business Day, with the same force and effect as
559 if done on the nominal date provided in this Supplemental Indenture, and no interest shall accrue for the
560 period after such nominal date; *provided*, that if the maturity date of any bond is a date other than a Busi-
561 ness Day, the payment otherwise due on such maturity date shall be made on the next succeeding Busi-
562 ness Day and shall include the additional days elapsed in the computation of interest payable on such next
563 succeeding Business Day.

564 Section 2. The Original Indenture as heretofore and hereby supplemented and
565 amended is in all respects ratified and confirmed; and the Original Indenture, this Supplemental Indenture
566 and all other indentures supplemental to the Original Indenture shall be read, taken and construed as one
567 and the same instrument. Neither the execution of this Supplemental Indenture nor anything herein con-
568 tained shall be construed to impair the lien of the Original Indenture as heretofore supplemented and
569 amended on any of the property subject thereto, and such lien shall remain in full force and effect as secu-
570 rity for all bonds now outstanding or hereafter issued under the Indenture. All terms defined in *Article 1*
571 of the Original Indenture, as heretofore supplemented, for all purposes of this Supplemental Indenture,
572 shall have the meanings therein specified, unless the context otherwise requires.

573 Section 3. This Supplemental Indenture may be simultaneously executed in any
574 number of counterparts, and all said counterparts executed and delivered, each as an original, shall consti-
575 tute but one and the same instrument.

576 Section 4. Nothing in this Supplemental Indenture contained, shall, or shall be con-
577 strued to, confer upon any person other than a holder of bonds issued under the Indenture, the Company
578 and the Trustees any right or interest to avail himself of any benefit under any provision of the Indenture,
579 as heretofore supplemented and amended, or of this Supplemental Indenture.

7 Re: The Empire District Electric Company

8 Ladies and Gentlemen:

9 As special counsel to The Empire District Electric Company, a Kansas corporation
10 (the "Company"), we are delivering this opinion to you pursuant to Section 4.4(a)(i) of the Bond
11 Purchase Agreement dated June 11, 2015 (the "Purchase Agreement") among the persons identified
12 in Schedule A thereto, as the purchasers (the "Purchasers"), and the Company, in connection with
13 the issuance and sale by the Company to the Purchasers of \$60,000,000 aggregate principal amount
14 of the Company's First Mortgage Bonds, 3.59% Series due 2030 (the "Purchased Bonds"). All capi-
15 talized terms used herein but not defined herein have the meanings ascribed to such terms in the Pur-
16 chase Agreement.

17 The Purchased Bonds are being issued under the Indenture of Mortgage and Deed of
18 Trust dated as of September 1, 1944, among the Company and The Bank of New York Mellon Trust
19 Company, N.A. (successor to the Harris Trust and Savings Bank) and UMB Bank & Trust, N.A.
20 (successor to the State Street Bank and Trust Company of Missouri, N.A.), as Trustees, as supple-
21 mented and amended by forty supplemental indentures, and by the Forty-First Supplemental Inden-
22 ture dated as of August 20, 2015 (the "Forty-First Supplemental Indenture").

23 In rendering the opinions set forth herein, we have examined originals, photocopies or con-
24 formed copies of all such records of the Company and all such agreements, certificates of public of-
25 ficials, certificates of officers and representatives of the Company and such other documents as we
26 have deemed relevant and necessary as a basis for the opinions hereinafter expressed. In such exam-

27 inations, we have assumed the genuineness of all signatures on original documents and the con-
28 formity to the originals of all copies submitted to us as conformed or photocopies. We have relied,
29 to the extent we deem such reliance proper, on certificates of officers of the Company and other
30 documents as to factual matters. As used herein, “Applicable Contracts” means those agreements or
31 instruments identified in Schedule A hereto, in each case as in effect on the date hereof.
32

33 We advise you that in our opinion (based, to the extent indicated below, upon the
34 opinions of other counsel hereinafter mentioned):

35 (i) The Purchased Bonds constitute valid and legally binding obligations of the
36 Company enforceable in accordance with their terms and entitled to the benefits and security
37 provided by the Mortgage except as the same may be limited by bankruptcy, insolvency, re-
38 organization or other laws relating to or affecting the enforcement of creditors’ rights or the
39 enforcement of the security provided by the Mortgage or by general principles of equity and,

We have reviewed the Restated Articles of Incorporation and By Laws of the Company and the action taken by the directors of the Company to authorize and permit the issuance and sale of the Bonds and we are familiar with the proceedings before the State Corporation Commission of the State of Kansas in connection with the issuance and sale to the Purchasers of the Bonds.

(ii) All approvals of the State Corporation Commission of the State of Kansas which are required for the execution and delivery by the Company of the Supplemental Indenture and the issuance, sale and delivery of the Bonds have been obtained; any conditions in such approvals required to be satisfied prior to the issuance of the Bonds have been duly satisfied; such approvals are in full force and effect; and no further approval, authorization, consent or other order of any public board or body in the State of Kansas is legally required for the issuance, sale and delivery of the Bonds or the execution, delivery and performance by the Company of the Mortgage, Forty-First Supplemental Indenture, the Bonds or the Purchase Agreement (other than any approvals required under the securities or blue sky laws of said state);

(iii) Neither the issuance, sale and delivery of the Bonds nor the execution, delivery and performance by the Company of the Purchase Agreement, the Mortgage, the Forty-First Supplemental Indenture or the Bonds will conflict with, violate or result in a breach of any Kansas law or administrative regulation, or any court decree known to us, applicable to the Company (other than any approvals which may be required under the securities or blue sky laws of said state); and

(iv) The Purchase Agreement has been duly authorized, executed and delivered by the Company.

The opinions set forth herein are solely for your benefit and no other person is entitled to rely hereon and no other use or distributions hereof shall be made without our prior written approval, except that any holder of a Bond (i) may show this letter to a prospective transferee, and provide a copy of this letter to an actual transferee of a Bond transferred in accordance with the Purchase Agreement, upon which such transferee may rely, and (ii) may show a copy of this letter to any governmental authority pursuant to requirements of applicable laws or regulations or the National Association of Insurance Commissioners or any rating agency reviewing the investment holdings of such holder.

The documents referenced in clause (a), (b) and (d) above are hereinafter referred to collectively as the “**Transaction Documents.**”

This opinion is based entirely on our review of the documents listed in the preceding paragraph and we have made no other documentary review or investigation for purposes of this opinion.

Based on such investigation as we have deemed appropriate the opinions referred to in subparagraphs (i) through (m), inclusive, above are satisfactory in form and scope to us, and we believe you are justified in relying thereon.

We have assumed the genuineness of all signatures, the conformity to the originals of all documents reviewed by us as copies, the authenticity and completeness of all original documents reviewed by us in original or copy form, the legal competence of each individual executing any document, and that the Company, and each other Person executing such documents (including, without limitation, the Transaction Documents) validly exists and is in good standing under the laws of the jurisdiction in which it was organized, had and has the power and authority to enter into and perform its obligations under the Transaction Documents under its governing organizational documents, applicable enterprise legislation and other applicable law and is qualified to do business and is in good standing under the laws of each jurisdiction where such qualification is required generally or necessary in order for such party to enforce its rights under such documents. We have further assumed that such documents have been duly authorized, executed and delivered by each Person executing such documents and, as to Persons other than the Company, are binding upon and enforceable against such Persons. In addition, we have relied, to the extent we deem necessary and proper, on the Offeree Letter without independent investigation.

We have assumed that the Indenture has been duly authorized, executed and delivered by each party thereto, has not been previously amended, modified, or otherwise supplemented (except as expressly provided in the Indenture) in any manner or respect (except for certain supplements to the Indenture not relevant to our opinions below with respect to the Transaction Documents) other than pursuant to the Supplemental Indenture, is in full force and effect, has not been terminated or discharged, and constitutes the legal, valid, binding and enforceable obligation of each party thereto immediately prior to giving effect to the Transaction Documents; and we have further assumed that, prior to giving effect to the Transactions Documents, no events or circumstances exist or have occurred which constitute a defense, waiver, or excuse with respect to the agreements or

To each of the Parties listed on
Annex 1 attached hereto

obligations of any party under the Indenture (except as expressly provided in the Indenture).

For purposes of this opinion, we have made such examination of law as we have deemed necessary. Except to the extent addressed below in paragraph 5, this opinion is limited solely to the internal substantive laws of the State of New York as applied by courts located in the State of New York without regard to choice of law, and the federal laws of the United States of America (except for treaties and laws relating to international relations, federal and state tax, energy, utilities, national security, anti-money laundering, anti-terrorism or antitrust laws, as to which we express no opinion), and we express no opinion as to the laws of any other jurisdiction. Our opinion in paragraph 2 below is based solely on a review of the Company's Governing Documents and we have not made any analysis of the internal substantive law of the jurisdiction of organization the Company, including statutes, rules or regulations or any interpretations thereof by any court, administrative body, or other government authority, and we express no opinion in paragraph 2 below as to the internal substantive law of the Company's jurisdiction of organization. We note that the Transaction Documents contain provisions stating that they are to be governed by the laws of the State of New York (each, a "**Chosen-Law Provision**"). Except to the extent addressed below in paragraph 5 no opinion is given herein as to any Chosen-Law Provision, or otherwise as to the choice of law or internal substantive rules of law that any court or other tribunal may apply to the transactions contemplated by the Transaction Documents. Except as set forth in paragraph 4 below, we express no opinions as to any securities or "blue sky" laws of any jurisdiction.

Our opinion is further subject to the following exceptions, qualifications and assumptions, all of which we understand to be acceptable to you:

- (a) We have assumed without any independent investigation (i) that the execution, delivery and performance by each of the parties thereto of the Transaction Documents do not and will not conflict with, or result in a breach of, the terms, conditions or provisions of, or result in a violation of, or constitute a default or require any consent (other than such consents as have been duly obtained) under, any organizational document other than the Governing Documents of the Company (including, without limitation, applicable corporate charter documents and by-laws), any order, judgment, arbitration award or stipulation, or any agreement, to which any of such parties is a party or is subject or by which any of the properties or assets of any of such parties is bound, (ii) that

Annex 1 attached hereto

the statements regarding delivery and receipt of documents and funds referred to in the Cross Receipt between you and the Company are true and correct, and (iii) that the Transaction Documents are a valid and binding obligation of each party thereto to the extent that laws other than those of the State of New York are relevant thereto (other than the laws of the United States of America, but only to the limited extent the same may be applicable to the Company and relevant to our opinions expressed below).

- (b) The enforcement of any obligations of any Person under any Transaction Document or otherwise may be limited by bankruptcy, insolvency, reorganization, moratorium, marshaling or other laws and rules of law affecting the enforcement generally of creditors' rights and remedies (including such as may deny giving effect to waivers of debtors' or guarantors' rights); and we express no opinion as to the status under any fraudulent conveyance laws or fraudulent transfer laws of any of the obligations of any Person, under the Transaction Documents or otherwise.
- (c) We express no opinion as to the availability of any specific or equitable relief of any kind.
- (d) The enforcement of any of the Purchasers' rights may in all cases be subject to an implied duty of good faith and fair dealing, and to general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity).
- (e) We express no opinion as to the enforceability of any particular provision of any of the Transaction Documents or the Indenture relating to:
 - (i) waivers of rights to object to jurisdiction or venue, or consents to jurisdiction or venue;
 - (ii) waivers of rights to (or methods of) service of process, or rights to trial by jury, or other rights or benefits bestowed by operation of law;
 - (iii) waivers of any applicable defenses, setoffs, recoupments, or counterclaims;

To each of the Parties listed on
Annex 1 attached hereto

- (iv) the granting of any power of attorney or of any proxy to any Person;
 - (v) exculpation or exoneration clauses, clauses relating to rights of indemnity or contribution, and clauses relating to releases or waivers of unmatured claims or rights;
 - (vi) waivers or variations of legal provisions or rights which are not capable of waiver or variation under applicable law; and
 - (vii) the imposition or collection of interest on overdue interest or providing for a penalty rate of interest or late charges on overdue or defaulted obligations, or for the payment of any premium, liquidated damages, or other amount which may be held by any court to be a “penalty” or a “forfeiture”.
- (f) Our opinion in paragraph 3 below is based solely on a review of generally applicable laws of the State of New York and the United States of America and not on any search with respect to, or review of, any orders, decrees, judgments or other determinations specifically applicable to the Company.
- (g) We express no opinion as to the effect of events occurring, circumstances arising or changes of law becoming effective or occurring after the date hereof on the matters addressed in this opinion letter, and we assume no responsibility to inform you of additional or changed facts, or changes in law, of which we may become aware.

Based on the foregoing, we are of the following opinions:

1. Each of the Transaction Documents constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its respective terms.
2. The execution and delivery of each Transaction Document, the issuance and sale of the Bonds by the Company, and the performance by the Company of its respective obligations under the Transaction Documents will not constitute a violation of its respective Governing Documents.

To each of the Parties listed on
Annex 1 attached hereto
August ____, 2015
Page 8

3. No consents, approvals or authorizations of Governmental Authorities of the State of New York or the United States of America are required under the laws of the United States of America or the State of New York on behalf of (a) the Company in connection with the execution and delivery of each of the Transaction Documents and (b) the offer, issuance, sale, execution and delivery of the Bonds by the Company.
4. Under the circumstances contemplated by the Transaction Documents, it is not necessary in connection with the offer and sale of the Bonds to register the offer and sale to you of the Bonds under the Securities Act of 1933, as amended, or to qualify an indenture in respect of the issuance of the Bonds under the Trust Indenture Act of 1939, as amended.
5. Each Chosen-Law Provision is enforceable in accordance with New York General Obligations Law section 5-1401, as applied by a New York State court or a federal court sitting in New York and applying New York choice of law principles. We note that New York General Obligations Law section 5-1401 refers to former section 1-105 of the New York Uniform Commercial Code. The New York Uniform Commercial Code has been amended, effective December 17, 2014, and the substance of former Section 1-105 now appears in Section 1-301.

This opinion is delivered solely to the Purchasers and for the benefit of the Purchasers in connection with the Transaction Documents and may not be relied upon by the Purchasers for any other purpose or relied upon by any other person or entity (other than future holders of the Bonds acquired in accordance with the terms of the Bond Purchase Agreement) for any reason without our prior written consent.

Very truly yours,

MORGAN, LEWIS & BOCKIUS LLP
