NOTICE REGARDING PRESENTATION TO COMMISSION

Issue Date: May 14, 2020

On March 18, 2020, the Commission issued an Order Granting Partial Waiver that allowed The Empire District Electric Company and The Empire District Gas Company to begin transitioning from an Empire-Liberty Utilities dual brand to a Liberty Utilities brand. One of the conditions placed on that order was that the companies keep Staff, interested stakeholders, and the Commission apprised of developments, including making a presentation to the Commission regarding its new brand and customer communication plan. Liberty Utilities has informed the Commission that it will make such a presentation at the Commission's June 3, 2020, agenda meeting.
