## ORDER GRANTING LEAVE TO FILE STATUS REPORT

Issue Date: January 14, 2010

Effective Date: January 14, 2010

The Commission is granting the Motion for Leave to File Status Report filed on January 14, 2010, by the Commission's staff ("Staff"). Staff states that its investigation will take longer than the time the Commission set for filing Staff's recommendation due, in part, to the unavailability of applicant's representative for much of that time. Therefore, Staff seeks leave to file a status report stating when such recommendation will be filed. The Commission will grant that request.

### THE COMMISSION ORDERS THAT:

1. No later than January 27, 2010, the Commission's staff shall file—in lieu of its recommendation—a status report stating when its recommendation will be available.

2. This order shall become effective immediately upon issuance.
