Dear Ms. Hiles and Ms. Steelman:

**Re: Notice of Receipt of Request to Promulgate an Emergency Rule –
Commission File No. AO-2021-0164**

As required by Section 536.041, RSMo 2016, the Missouri Public Service Commission informs you that on December 26, 2020, Consumers Council of Missouri filed an application for rehearing or reconsideration in which it makes a request for the Commission to promulgate an emergency rule. Consumers Council requests an emergency rule imposing a moratorium on the disconnection of Commission-regulated residential electric, gas, and water utilities until March 31, 2021, and the waiver of late fees and charges associated with disconnection. The Commission considers this request to be a petition for an emergency rulemaking. In compliance with the statute, I have attached a copy of the request.

Sincerely,

A handwritten signature in black ink that reads "Morris L. Woodruff".
