Issue Date: August 17, 2022

On November 12, 2021, the Commission issued an *Order Approving Stipulation and Agreement and Granting Certificate of Convenience and Necessity* (CCN) in this matter, to be effective on December 12, 2021. The order granted Spire Missouri, Inc., d/b/a Spire, a CCN to construct, install, own, operate, maintain, and otherwise control and manage a natural gas distribution system to provide gas service in Buchanan County, Missouri, as a further expansion of its existing certificated area.

Paragraph 6 of the order states, “Spire shall file an updated tariff sheet to incorporate the legal description of the subdivision location upon Commission approval of this Agreement.”

On July 19, 2022, Spire filed a revised tariff sheet purporting to be in compliance with the terms of the Commission’s November 12th order. On July 21, 2022, Spire filed a substitute revised tariff sheet, which carries an effective date of August 19, 2022.

On August 15, 2022, the Commission directed that, no later than August 16, 2022, the Staff of the Commission (Staff) file a recommendation advising the Commission as to

whether the proposed substitute revised tariff sheet complies with the Commission's November 12th order. Staff filed its recommendation on August 16, 2022, stating that it had reviewed the substitute revised tariff sheet and found it in compliance with the Commission's November 12th order. Staff recommended that the Commission approve the proposed substitute revised tariff sheet.

The Commission has considered the substitute revised tariff sheet and Staff's recommendation. The Commission will allow the substitute revised tariff sheet (Tracking No. JG-2023-0018) to take effect by operation of law on August 19, 2022.
