("Claro Enterprise Solutions") formally requests to cancel both, its Authority to Provide (i) Interconnected Voice over Internet Protocol Service (VoIP) services in the State of Missouri, and (ii) Interexchange and non-switched local exchange telecommunications service (IXC) both originally granted in the above-mentioned docket numbers on July 22, 2018. The Company no longer offers these telecommunication services in Missouri.

In both its *2021 & 2022 Statement of Revenue*, Claro Enterprise Solutions notified the Commission that it no longer serves any customers in Missouri and requested its registration to be canceled.
