2	JUDGE RUTH: Good afternoon. My name is
3	Vicky Ruth, and I'm the Regulatory Law Judge assigned to
4	this case. Today is Wednesday, October 13, 2004, and it
5	is a few minutes after 2 p.m. We are here for a
6	prehearing conference in AO-2002-0202, in the matter of an
7	investigation into public utility emergency preparedness.
8	Let's begin with entries of appearance.
9	Staff?
10	MS. SHEMWELL: Thank you. Lera Shemwell
11	representing the Staff of the Missouri Public Service
12	Commission, Post Office Box 360, Jefferson City, Missouri
13	65102.
14	JUDGE RUTH: Okay. For the record, I'll
15	note that the Office of the Public Counsel is not present,
16	nor is Galt Municipal Utilities.
17	Okay. I have a preliminary matter that I
18	want to address. There was a scrivener's error in the
19	attachments to the September 23rd Order Dismissing
20	Parties. Seven parties were inadvertently left off of
21	Attachment A, which listed the water and sewer companies.
22	These seven parties that should have been dismissed are
23	Lake Hannibal Sewer Corporation, Mill Creek Sewers, Moore
24	Bend Water Company, Roy-L Utilities, Suburban Water and
25	Sewer, the Willows Utility Company, and Woodland Heights

	Page 4
1	Utilities. These seven parties are also dismissed from
2	the case, and a Notice will go out tomorrow just
3	confirming this.
4	Now, today's prehearing conference was
5	scheduled to facilitate the completion of the emergency
6	preparedness survey by the one remaining entity. That's
7	Galt Municipal Utilities. Unfortunately, Galt has chosen
8	not to appear. Therefore, it will not be possible, Staff,
9	for you to use this opportunity to work with Galt to
10	complete that survey.
11	The Commission will follow up today's
12	prehearing conference possibly with an Order, Staff,
13	directing what your next action should be, but that Order
14	would not come out until after an agenda session where the
15	Commission can discuss this matter.
16	Staff, do you have any other issues that
17	need to be taken up at this time?
18	MS. SHEMWELL: I don't think we have any
19	other issues. I just wanted to mention that Galt seems to
20	have a very part-time staff. Dawn Hake from the Staff has
21	spoken with a gentleman up there who our impression was
22	he was a maintenance man. Is that right? So they don't
23	really have any full-time administrative staff to our
24	understanding. So it's difficult for us to reach them.
25	We're not sure who is actually getting the service, but we

	Page 5
1	have made our best effort to reach them, and we would be
2	happy to continue to work with them.
3	I have a question, though. If they are
4	just resellers, would that be helpful information?
5	JUDGE RUTH: Well, it was my understanding
6	that Staff has recommended that quite a few companies be
7	dismissed because they were resellers only. I did not
8	think it was clear on the record that this company was
9	only a reseller.
10	If that's the case, Staff may wish to file
11	something clarifying that, indicating whether it's their
12	recommendation that the company be dismissed like other
13	resellers have been dismissed.
14	MS. SHEMWELL: And I'm not sure that we're
15	certain, but we'll try to determine that and make a
16	pleading. So we'll follow up on that and see if we can
17	contact someone and try to make that determination.
18	You're right, we have been able to determine that with
19	quite a few other companies, and we will make additional
20	efforts to determine that for Galt. Thank you.
21	JUDGE RUTH: All right. Then I don't
22	believe there are any other matters that need to be
23	addressed at this time, so it will conclude the
24	on-the-record prehearing conference. I assume that you
25	won't need the room, and I'll go ahead and tell the

		Page 6
1	receptionist to lock up in just a moment.	rageo
2	Thank you.	
3	WHEREUPON, the recorded portion of	the
4	prehearing conference was concluded.
