Issue Date: October 19, 2015

Effective Date: October 19, 2015

Section 386.420.4, RSMo Supp. 2013, requires the Commission to prepare and approve a detailed reconciliation regarding the dollar value and rate or charge impact of the contested issues decided by the Commission in this case. The law requires the Commission to allow the parties an opportunity to provide written input regarding that reconciliation.

On October 2, 2015, the Commission directed Kansas City Power & Light Company to prepare and file the reconciliation by October 8, 2015, and allowed other parties until October 15, 2015 to respond to the reconciliation. The Commission finds that the reconciliation submitted by Kansas City Power & Light Company is an accurate representation of the dollar value and rate or charge impact of the issues decided by the Commission. The Commission further finds that the submitted reconciliation satisfies the requirements of Section 386.420.4, RSMo Supp. 2013. The Commission will approve the reconciliation filed by Kansas City Power & Light Company.
