**ORDER APPROVING STIPULATION AND AGREEMENT
REGARDING TRUE-UP, DEPRECIATION, AND OTHER ISSUES**

Issue Date: July 17, 2015

Effective Date: July 17, 2015

On July 1, 2015, Kansas City Power & Light Company ("KCP&L") and the Staff of the Commission filed a partial non-unanimous stipulation and agreement that would resolve between them certain true-up, depreciation and other miscellaneous issues. The stipulation and agreement identifies specific issues that will and will not be subject to true-up, adopts certain depreciation rates, which include net salvage, and approves KCP&L's billing adjustment approach for non-residential customers.

The stipulation and agreement is non-unanimous in that it was not signed by all parties. However, Commission Rule 4 CSR 240-2.115(2) provides that other parties have seven days in which to object to a non-unanimous stipulation and agreement. If no party files a timely objection to a stipulation and agreement, the Commission may treat it as a unanimous stipulation and agreement. More than seven days have passed since the stipulation and agreement was filed, and no party has objected. Therefore, the Commission will treat the stipulation and agreement as a unanimous stipulation and agreement.

After reviewing the stipulation and agreement, the Commission independently finds and concludes that the stipulation and agreement is a reasonable resolution of the issues addressed by the stipulation and agreement and that such stipulation and agreement should be approved.

THE COMMISSION ORDERS THAT:

1. The Partial Non-Unanimous Stipulation and Agreement as to True Up, Depreciation and Other Miscellaneous Issues, filed on July 1, 2015, is approved as a resolution of the issues addressed in that stipulation and agreement. The signatory parties are ordered to comply with the terms of the stipulation and agreement. A copy of the stipulation and agreement is attached to this order.
2. This order shall be effective when issued.
