**File No. ER-2016-0164**

**ORDER DIRECTING NOTICE, ACKNOWLEDGING AUTOMATIC PARTIES, AND  
ESTABLISHING INTERVENTION DATE**

Issue Date: January 4, 2016

Effective Date: January 4, 2016

On December 30, 2015, KCP&L Greater Missouri Operations Company ("GMO") submitted its fourteenth Fuel Adjustment Clause ("FAC") true-up filing, as required by Commission rules 4 CSR 240-3.161 and 4 CSR 240-20.090. Rule 4 CSR 240-20.090(5)(D) requires the Commission's Staff to examine the information GMO submitted and to submit a recommendation to the Commission not later than 30 days after GMO's filing. That means Staff's recommendation will be due no later than January 29, 2016.

Commission Rule 4 CSR 240-3.161(10)(A) provides that the parties to the rate case in which the Commission approved GMO's FAC are automatically parties to this true-up case, without the necessity of having to apply for intervention. The Commission therefore acknowledges that the parties to File No. ER-2012-0175 are parties to this case and will direct its Data Center to add those parties to the service list.

The Commission will also establish a submission date for any other entity that may wish to apply to intervene and will direct its Data Center to serve a copy of this order upon the county commission of each county in GMO's service area. In addition, the Commission's Public Policy and Outreach Department shall make notice of this order available to the media serving GMO's service area and to the members of the Missouri General Assembly representing the residents of GMO's service area.

## **THE COMMISSION ORDERS THAT:**

1. The Commission's Data Center shall add all parties from File No. ER-2012-0175 to the service list for this case.
2. Any proper person or entity wishing to intervene in this matter shall file an application to intervene no later than January 13, 2016, in the Commission's Electronic Filing Information System ("EFIS").
3. The Commission's Data Center shall serve a copy of this order upon the county commission of each county in the service territory of GMO.
4. The Commission's Public Policy and Outreach Department shall make notice of this order available to the members of the Missouri General Assembly representing the residents of the service area of GMO and to the news media serving the residents of the service territory of GMO.
5. The Staff of the Commission shall file its recommendation no later than January 29, 2016.
6. This order shall be effective when issued.
