**Case No. GR-2004-0072**

Dear Secretary:

It has come to my attention that there is an incomplete response in the Rebuttal Testimony of Barbara A. Meisenheimer filed on February 13, 2004 in Case No. GR-2004-0072. I believe an error occurred during the editing process causing this incomplete response. As a result, the testimony filed via EFIS and provided in paper copy to counsel of record contained this incomplete response. This question and response can be found on page 14, lines 8-11.

Enclosed is the question and complete response that should replace lines 8-11 on page 14 of the testimony. I am providing to counsel of record a copy of this letter and the enclosure.

I apologize for any inconvenience this may cause.

Sincerely,

Douglas E. Micheel  
Deputy Public Counsel

**Q. IF THE COMMISSION ACCEPTS YOUR PROPOSED REVISIONS WHAT  
LEVEL OF FUNDING WOULD YOU SUGGEST?**

A. The MGE program was funded through a charge of about \$.08 per month per customer. Assuming 5% administrative costs, \$0 evaluation cost and the multi-tier proposed discounts I provided in Attachment 3, I believe the program would allow up to about 125 participants and cost around \$44,200.
