Certificate of Convenience and Necessity)	
Under Section 393.170.1, RSMo.)	File No. EA-2021-_____
Relating to Transmission Investments)	
In Southeast Missouri.)	

NOTICE OF CASE FILING

COMES NOW Ameren Transmission Company of Illinois (“ATXI”) and under 20 CSR 4240-4.017(1), hereby files notice that it intends to file an application for a line certificate under Section 393.170.1 for transmission investments in Southeast Missouri, as follows:

1. Section 393.170.1, RSMo. requires electrical corporations subject to the Commission’s jurisdiction to obtain a certificate of public convenience and necessity (“CCN”) prior to construction of transmission facilities unless those facilities are located within the corporation’s certificated service territory. ATXI has no certificated service territory.

2. There are transmission infrastructure needs in Southeast Missouri that will be satisfied by the project that will be the subject of this filing.

3. The issues likely to be before the Commission respecting the CCN application include whether the requested CCN is necessary or convenient for the public service, including an examination of the “Tartan” factors.

4. ATXI has had no communications with the Office of the Commission (as defined in 20 CSR 4240-4.015(10)) respecting this matter during the preceding 90 days.

Respectfully submitted,
