**ERRATUM TO STAFF’S RATE DESIGN AND CLASS COST OF
SERVICE REPORT FOR KANSAS CITY POWER & LIGHT COMPANY**

COMES NOW the Staff of the Missouri Public Service Commission and provides the following correction to its Rate Design and Class Cost of Service Report for Kansas City Power & Light Company that it filed on April 16, 2015:

1. On page 37 of its report at lines 20- 23, Staff refers to Schedule DEE-1 that “contains redline/strikeout exemplar tariff sheets with Staff’s proposed changes to KCPL’s proposed FAC tariff sheets which were filed as part of KCPL witness Tim Rush’s direct testimony, in the event the Commission grants KCPL’s request to implement a FAC.” Staff inadvertently omitted the referenced Schedule DEE-1 in its report. Attached is the omitted schedule.

2. While not a correction, Staff clarifies that on page 38 at line 2 of its report there is an extraneous superscript “24” at the end of a sentence for a footnote. There is no footnote and Staff did not intend that there be one.

WHEREFORE, the Staff of the Missouri Public Service Commission respectfully makes the foregoing correction to its Revenue Requirement Cost of Service Report for Kansas City Power & Light Company that it filed on April 16, 2015.

Respectfully submitted,

/s/ Nathan Williams
