a General Rate Increase for Electric Service) **File No. ER-2014-0370 et al.**

**ORDER TO PROVIDE NOTICE TO CITIES AND COUNTIES
OF ELECTRIC RATE INCREASE AS REQUIRED BY
SECTION 393.275.1, RSMO**

Issue Date: October 22, 2015

Effective Date: October 22, 2015

Section 393.275.1, RSMo 2000, requires the Commission to notify the governing body of each city or county imposing a business license tax on gross receipts of any electric corporation of any approved rate increase for that electric corporation that exceeds seven percent. Further, the statute requires the Commission to:

include with such notice to any city or county the percentage increase approved for the utility, together with an estimate of the annual increase in gross receipts resulting from the tariff increase on customers residing in that city or county.

Section 393.275.2, RSMo 2000, requires the taxing authority to reduce its tax rate to reduce the amount of revenue collected under the tax, unless it chooses to maintain its tax rate.

On September 2, 2015, the Commission issued a report and order that allowed Kansas City Power & Light Company ("KCPL") to increase the company's annual revenues from its provision of electric service by 11.76%. On September 16, 2015, the Commission approved KCPL's tariff sheets to implement the allowed rate increase. On October 22, 2015, the Commission denied rehearing requests.

As required by the statute and Commission regulations, KCPL submitted on September 29, 2015 a list of the cities and counties within its service territory that impose a business license tax on its gross receipts, along with an estimate of the annual increase in gross receipts resulting from the rate increase on customers residing in that city or county. That list and revenue increase estimate is attached to this order.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall mail a copy of this order to each city or county identified by Kansas City Power & Light Company.
2. This order shall be effective when issued.
