Issue Date: July 31, 2020

Effective Date: July 31, 2020

On July 31, 2020, Union Electric Company d/b/a Ameren Missouri (Ameren Missouri) in File No. ER-2021-0022 submitted direct testimony and a tariff designed to implement an adjustment to its Fuel and Purchased Power Adjustment Clause (FAC). The submitted tariff bears an effective date of October 1, 2020. Ameren Missouri's tariff also includes amounts for File Number ER-2021-0024, containing its true-up filing for its FAC.

Under Commission Rule 20 CSR 4240-20.090(8), the Commission's Staff shall submit a recommendation regarding the proposed adjustment no later than 30 days after its filing. No later than 60 days after receiving the proposed adjustment, the Commission must: (1) enter an interim rate adjustment; (2) approve or reject the tariff as submitted; or (3) allow the tariff to go into effect by operation of law. Consequently, the Commission will issue notice, set an intervention deadline, and direct its Staff to file a recommendation.

Commission Rule 20 CSR 4240-20.090(17)(A) provides that parties to the rate case in which the Commission approved Ameren Missouri's fuel adjustment clause are automatically parties to this tariff case, without the necessity of having to apply for intervention. Therefore, the Commission acknowledges that the parties to File No. ER-2019-0335 (the file in which Ameren Missouri's FAC was most recently re-approved) are parties to this case, and will direct its Data Center to add those parties to the service list.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall provide a copy of this order to the parties to File No. ER-2019-0335.

2. The Commission's Data Center shall add all parties in File No. ER-2019-0335 to the service list for this case.

3. Any person or entity wishing to intervene shall file an application to intervene no later than August 31, 2020.

4. The Staff of the Missouri Public Service Commission shall file a recommendation regarding its examination and analysis of Ameren Missouri's application and tariff no later than August 31, 2020.

5. The Commission's Data Center shall provide a copy of this order to the county commission of each county in the service territory of Ameren Missouri.

6. The Commission's Public Policy and Outreach Department shall make notice of this order available to the members of the Missouri General Assembly representing the residents of the service area of Ameren Missouri and to the news media serving the residents of the service territory of Ameren Missouri.

7. This order is effective when issued.
