## ORDER DIRECTING FILING

Issue Date: November 12, 2021

Effective Date: November 12, 2021

Evergy Missouri Metro, the Staff of the Commission, the Office of the Public Counsel, and Midwest Energy Consumers Group have all indicated they are agreeable to resolving this case with the submission of a stipulation of facts and briefs. The Commission set a deadline of November 8, 2021, for any objections to determining this case based upon a joint stipulation of facts and briefs. No objections were received. Therefore, the Commission will direct the parties to file a pleading stating the date that the parties will file a joint stipulation of facts and briefs for the Commission's consideration. The issue in dispute, to the best of the Commission's understanding, is whether the Commission's rules and Evergy Missouri Metro's tariff allow for the deferral of extraordinary income from its fuel adjustment rate filing.

### THE COMMISSION ORDERS THAT:

1. The parties shall file a pleading stating when they will file a joint stipulation of facts and briefs for the Commission's determination.
2. This order is effective when issued.
