ment a General Rate Increase for )  
Natural Gas Service )

RENEWED NOTICE OF INTENT TO RESPOND  
BY MIDWEST GAS USERS' ASSOCIATION

On Friday, October 16, 2009, and two days out of time, Missouri Gas Energy submitted the prepared surrebuttal testimony of its witness Kirkland along with a motion to permit the filing out of time. MGE did not request a shortened response time to its motion. An Order was issued allowing the filing but was rescinded on this date. Midwest Gas Users's Association, through counsel, again respectfully advises the Commission and its assigned Regulatory Law Judge that it intends to respond to the MGE motion well within the time provided by Commission rules.

Respectfully submitted,

FINNEGAN, CONRAD & PETERSON, L.C.
