Re: Northeast Missouri Rural Telephone Company, Notice of Application for State Issued Video Service Authorization, Intent to Provide Video Service.

Dear Clerk Lymer:

2007 SB 284 created a new process for video service providers to obtain state issued video authorizations. This new process preempts the prior process whereby video service providers obtained franchises from local political subdivisions.

Please be notified that Northeast Missouri Rural Telephone Company intends to provide video service within the unincorporated areas of your County, and intends to do so pursuant to an application filed with the Missouri Public Service Commission pursuant to SB 284. Actual provision of service will not occur until facilities and programming are available.

If you have any questions or concerns, I would be happy to address them.

Sincerely,

Gary D. Godfrey  
General Manager
