

BEFORE THE PUBLIC SERVICE COMMISSION

OF THE STATE OF MISSOURI

In the Matter of an Incident on May 9, 2007, at the)
Iatan Generating Plant that Kansas City Power &) **Case No. ES-2007-0458**
Light Company Operates.)

ORDER EXTENDING TIME TO FILE REPORT

Issue Date: November 21, 2007

Effective Date: November 21, 2007

The Commission established this case to facilitate its Staff's investigation into a fatal accident at Kansas City Power & Light Company's Iatan electric generating plant. On September 6, 2007, Staff filed an interim incident report regarding that accident, but indicated it would be unable to complete a final report until parallel investigations by KCPL and OSHA were completed. Staff anticipated filing its final report by November 30, 2007, and the Commission ordered Staff to file either a final report or an interim report by that date.

On November 21, Staff filed a motion asking that the Commission extend the date for filing a report until January 31, 2008. Staff explains that the parallel investigations will not be completed until December, so further time is needed to complete Staff's report.

Staff's request is reasonable and it will be granted.

IT IS ORDERED THAT:

1. The Commission's Staff shall file its final incident report no later than January 31, 2008.

2. This order shall become effective on November 21, 2007.
