**ORDER GRANTING MOTION  
FOR MORE DEFINITE STATEMENT**

Issue Date: June 24, 2011

Effective Date: June 24, 2011

Upon receiving notice of this complaint, Laclede Gas Company filed a motion for a more definite statement. Laclede is unable to understand the full nature of the complaint or the time frame to which Linda T. Nelson and Vernon Ball refer.

The Commission suggests that Complainants review Laclede's motion. After doing so, Complainants shall, in a clear and complete description, set out the circumstances and time frames surrounding any actions on the part of Laclede for which Complainants feel they should be compensated.

While waiting for a more definite statement from Complainant, Laclede need not file its answer to the complaint. Because it is to Complainants' benefit to file a more definite statement, the Commission will not set a date by which the pleading must be filed. If after a reasonable amount of time Complainants have yet to file, the Commission will remind Complainants of the Commission's order.

**THE COMMISSION ORDERS THAT:**

1. Laclede Gas Company's motion for a more definite statement is granted.

2. The time in which Laclede Gas Company must file an answer is stayed.

3. Consistent with the discussion in the body of this order, Linda T. Nelson and Vernon Ball shall file a more definite statement.

4. This order shall become effective upon issuance.
