ORDER OF RULEMAKING

By the authority vested in the Public Service Commission under section 386.410, RSMo 2000, the commission adopts a rule as follows:

4 CSR 240-4.030 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on January 3, 2017 (42 MoReg 19-20). Those sections with changes are reprinted here. The proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The public comment period ended February 2, 2017, and on February 16, 2017, the commission held a public hearing on the proposed rescission. Timely written comments were received from the Office of the Public Counsel (OPC), the Missouri Energy Development Association (MEDA), the Missouri Cable Telecommunications Association (MCTA), Union Electric Company d/b/a Ameren Missouri (Ameren Missouri), Missouri Industrial Energy Consumers (MIEC), Midwest Energy Consumers Group (MECG), and Consumers Council of Missouri. In addition to those entities, the commission's staff, Missouri American Water Company, Laclede Gas Company, Kansas City Power & Light Company, Empower Missouri, and AARP all offered comments at the hearing. The comments of regulated utilities and utility associations generally supported the proposed rule, with modifications. The Office of the Public Counsel and other organizations representing consumers all strongly opposed adopting the proposed rule.

COMMENT #1: In section (1), Ameren Missouri suggests that two business days should be permitted to make the required filing, as there could be circumstances where personnel needed to provide the information for the filing are not available in sufficient time to prepare the filing just one business day after the communication occurs.

RESPONSE: The Commission disagrees with the comment because Section 386.210.3, RSMo, requires such filings be made "no later than the next business day following the communication". No changes have been made to the rule as a result of this comment.

COMMENT #2: OPC comments that in section (2), rather than just saying that the filing must be made as soon as practicable, the time to make the filing should be specifically defined, such as by adding the phrase "but no later than three days later".

RESPONSE AND EXPLANATION OF CHANGE: The Commission agrees and will make the suggested change.

4 CSR 240-4.030 Extra-Record Communications

(2) If an extra-record communication occurs and the initiating party fails to file a notice in the manner set forth in section (1), any other party or member of the office of the commission involved in the communication, upon learning of the person's failure to file such notice, shall give notice of the extra-record communication in the manner set forth in section (1) as soon as practicable but no later than three days later.
