

Company Name: KCPL MO
Case Description: 2010 KCPL Rate Case
Case: ER-2010-0355

Mr. Schnitzer received an on-the-record request from Commissioner Davis at p. 3327,
lines 17-23:

Q. Okay. And then let me ask you this: I mean, what -- what would the -- what would be the 33rd percentile?

A. I'm sorry, sir. That I'm going to have to make an offer to provide you, because that's in the work papers that I am unable to open on my computer this morning, for which I apologize.

The 33rd percentile off-system contribution margin determined by Mr. Schnitzer in his Direct Testimony is \$71.823 MM.

Mr. Schnitzer has since filed True-Up Direct Testimony, which includes an updated probabilistic distribution of off-system contribution margin. The 33rd percentile off-system contribution margin determined by Mr. Schnitzer in his True-Up Direct Testimony is \$63.662 MM.
