MANAGEMENT and TECHNICAL TEAM

Houssam Abdallah established Global Connection Inc. of America in June 1998. He serves as its President/CEO and is involved in ensuring regulatory compliance. He has an Industrial Engineering degree. He maintains continuing communications with BellSouth, as well as other I.L.E.C.s that the Company utilizes in providing services. Global Connection Inc. of America, a Georgia corporation is engaged in the delivery of prepaid telecommunication services, primarily in the state of Georgia and also has authority to operate in the states of Alabama, Arkansas, Florida, Illinois, Indiana, Kentucky, Michigan, Mississippi, North Carolina, South Carolina and Tennessee. Global Connection Inc. of America has current subscription of approximately 13,000 lines and monthly revenues of over \$600,000.

Prior to such, he created and continues to operate Southeast Dental Care, Inc. ("S.E.D.C.") a regional Dental / Optical / Chiropractic Plan which is primarily directed to income groups not utilizing conventional insurance coverage. S.E.D.C. was founded in 1994 and has expanded to multi-state operations. Mr. Abdallah has extensive experience in the management of sales personnel and identification of market potential.

Bassam Abdallah, Vice President and the Director of Management Information Systems, has extensive experience in the field of technology platforms for administration of commercial operations. Mr. Abdallah has a B.S. degree in Computer Science and over 20 years experience in the set up and design of technical infrastructure. Mr. Abdallah is presently interacting with software engineers to develop the back office technology platform which will allow Global to interface with primary carriers, payment centers and customers on a virtual basis to allow for efficiency in the management of service and account maintenance.

Maxine Alagar is the Director of Center Operations. She came to Global after thirty-four and a half years Telephony experience with AT&T Telecommunications, Inc. (BellSouth). Her extensive background and knowledge gained is indicated throughout her positions held in both Louisiana and Alabama during pre and post divestiture of South Central Bell and AT&T. Maxine began her career with technical experience as an Operator in Operator Services, a Frame Attendant in Central Offices for Step-by-Step, Cross Bar, and #5 ESS Switching Services and as a Customer Service Representative in Interconnection Customer Service Center (ICSC). She next advanced to an Assistant Manager in the ICSC Provisioning Center; then an Assistant Manager for Wide Area Telephone Service (WATS) Billing in New Orleans, La.; then a Special Access Staff Manager in Alabama. Maxine later held positions as an Assistant Manager Billing and Collections, Collections Director and at the time she had retired, Maxine was the Operations Director of Billing and Collections for AT&T Accounts Receivables Management in Birmingham, Alabama. As the Operations Director of Billing and Collections she had seven managers and more than seventy Service Representatives which reported directly to her in addition to overseeing the day-to day operations which included escalated disputes for resolution and the collection of Access, Local Interconnection, Collocation, Resale, and Unbundled Network Element Platform (UNE-P) services across BellSouth's nine state region. Maxine also worked closely with BellSouth's General Counsel and AT&T Regulatory to resolve Competitive Local Exchange Carrier (CLEC) contractual and bankruptcy issues. Her vast knowledge of services contributed to the successful resolution of Public Service Commission and related customer disputed issues.

Onali Momin is the Technical Support Manager. Mr. Momin has a Bachelor of Commerce degree and Diplomas in Computer Science and Computer Programming & Applications. He has also obtained certification in various aspects of programming and technology including: languages, RDBMS, report tools, components, web technologies, tools, operating systems and hardware. Mr. Momin's ongoing responsibilities are to design, develop and deploy the client/server application for customer service, as well as the accounting department.
