Energy Insecurity & Increasing Rate Hikes

Over the past five years, utility rates have steadily climbed as the nation has battled with the Great Recession. On February 3, 2012, an additional request for rate increase was submitted for consideration. Join *Keeping the Power On* for an open discussion on ways to improve utility access for our community and a strategic plan for the upcoming Public Service Commission hearings.

Wednesday, June 27, 2012

12:00 p.m. – 1:30 p.m.

St. Louis University School of Law
Courtroom
3700 Lindell Blvd.
St. Louis, Missouri 63108

Please RSVP at (314) 256-8764

Keeping the Power On

A medical-legal initiative between Saint Louis University School of Law, Washington University Department of Pediatrics, and Legal Services of Eastern Missouri, Inc.
