RE: Hearing in Aquila Rate Case

The Missouri Public Service Commission will hold an on-the-record hearing tomorrow at 9:30 a.m. in Room 310 of the Governor's Hotel Building to hear presentations on a proposed settlement in Aquila's pending rate case. The hearing will also be broadcast over our website.

I cannot discuss this case or any case pending in front of the Commission. If you have questions about how this proposed settlement affects your constituents, you may want to contact Lewis Mills, the Public Counsel, at 751-4857.

Thank you for your consideration in this matter. I apologize for the short notice.
