ORDER EXTENDING TIME TO FILE ISSUES LIST

Issue Date: November 21, 2006

Effective Date: November 21, 2006

The procedural schedule established for this case requires the Commission's Staff to file a list of issues and order of cross-examination on November 21, 2006. On November 21, Staff filed a motion asking for additional time to prepare the issues list. Staff explains that it has not been able to agree with the respondents about the contents of the issues list. Staff and the Respondents do agree, however, that the due date for the filing of the issues list should be extended to November 30.

That request is reasonable and will be granted. The Commission notes that the list of issues will now be due on the same day as the statements of position. If any party believes that the due date for the filing of statements of position also needs to be changed, they shall file an appropriate pleading as soon as possible.

IT IS ORDERED THAT:

1. The procedural schedule is modified to provide that Staff shall file a List of Issues and Order of Cross no later than November 30, 2006.
2. This order shall become effective on November 21, 2006.
