File No. GC-2009-0036

ORDER DIRECTING FILING OF STATUS REPORTS

Issue Date: June 23, 2009

Effective Date: June 23, 2009

This case, which involves an issue of language in MGE's currently effective tariff regarding limitation of MGE's liability, has been delayed while Staff worked on issues of a similar nature with Laclede Gas Company in Case No. GT-2009-0056. On June 15, 2009, Staff reported that it continues to work with Laclede to come to an agreement on appropriate language. Staff stated that a resolution of the appropriate tariff language for Laclede will have a bearing on what Staff believes should be the appropriate tariff language for MGE, and asked that the Commission allow the parties to continue discussions and extend the time for filing a proposed procedural schedule until July 31, 2009.

The Commission has considered Staff's status report and finds it reasonable to postpone action in this case pending the outcome of Case No. GT-2009-0056. In that case the parties have been directed to file a proposed procedural schedule. The Commission will direct Staff to file status reports on a monthly basis in this case.

THE COMMISSION ORDERS THAT:

1. The Commission's Staff shall file status reports beginning no later than July 31, 2009, and continuing every month thereafter until further order of the Commission.
2. This order shall become effective upon issuance.
