

Ameren's Response to
MPSC Staff Data Request
MPSC Case No. ER-2008-0318
AmerenUE's Tariff Filing to Increase Rate for Electrical Service
Provided to Customers in the Company's Missouri Service Area

Requested From: Steven Dottheim

Data Request No. MPSC 0343

On page 12, lines 14 and 15 of his rebuttal testimony, Mr. Rygh makes reference to "the potential for construction-related mishaps." What does he mean by "construction-related mishaps"? What does he mean by "the potential for construction-related mishaps"?

Response:

I was referring to significant cost overruns in capital expenditure plans and major capital projects which proved to be a significant issue during the last major capital investment period.
