**ORDER GRANTING ADDITIONAL TIME TO RESPOND TO SHOW**  
**CAUSE ORDER**

Issue Date: January 3, 2007

Effective Date: January 3, 2007

On December 22, 2006, the Commission issued an order requiring Mr. Walker to explain why his complaint should not be dismissed. Mr. Walker had failed to make a timely appearance at the prehearing conference scheduled for this matter. Mr. Walker was directed to respond to the show cause order no later than January 2, 2007. Mr. Walker did not file a timely response.

While the Commission has not received any returned mail throughout this proceeding, the Commission notes that Mr. Walker changed his address on December 1, 2006. Mr. Walker's new address, as listed on page 2 of his complaint, is 3615 Gillham Road, Apartment 42, Kansas City, Missouri 64110.

Because the Commission recognizes that this change of address may have delayed the receipt of its latest order, the Commission will reissue that order and extend the time for Mr. Walker's response.

**IT IS ORDERED THAT:**

1. The Missouri Public Service Commission's Data Center will resend the Show Cause order issued in this matter on December 22, 2006, to Mr. Walker's new address as delineated in the body of this order.

2. No later than January 12, 2007, Tony Walker shall file a pleading showing cause why his October 19, 2006 complaint with the Commission against Missouri Gas Energy should not be dismissed. In this same pleading, Mr. Walker shall be required to address the Staff of the Missouri Public Service Commission's recommendation that this matter be dismissed on the merits of his claim.

3. This order shall become effective on January 3, 2007.
