In the Matter of Evergy Metro, Inc. d/b/a)
Evergy Missouri Metro's Request for) **File No. ER-2022-0129**

Increase for Electric Service) and YE-2022-0201

ORDER GRANTING APPLICATION TO INTERVENE

Issue Date: January 25, 2022

Effective Date: January 25, 2022

Evergy Metro, Inc. d/b/a Evergy Missouri Metro submitted tariff sheets on January 7, 2022, to produce a net increase in its electric base rates. The Commission provided notice of Evergy Missouri Metro's application and set a deadline for applications to intervene.

On January 14, 2022, Midwest Energy Consumers' Group (MECG) timely filed an application to intervene. MECG stated that it is an incorporated entity that represents the interests of large commercial and industrial users of electricity. MECG stated its interests are different than those of the general public. MECG further stated that granting its intervention request would serve the public interest. MECG stated that it has not yet taken a position on Evergy Missouri Metro's application.

More than ten days have passed since the filing of MECG's application to intervene and no one has responded.¹ After considering the unopposed application to intervene, the Commission finds that MECG has interests which are different from that of the general public and allowing them to intervene will serve the public interest. Therefore, in

¹ Commission Rule 20 CSR 4240-2.080(13).

accordance with Commission Rule 20 CSR 4240-2.075(3), the Commission will grant the applications to intervene.

THE COMMISSION ORDERS THAT:

1. The application to intervene of MCEG is granted.
2. This order shall be effective when issued.
