PROCEEDINGS 1 MS. QUICK: We will go ahead 2 and get started. It's a little bit after 3 12:00 noon. 4 I would like to thank everyone for 5 attending this afternoon's virtual public 6 hearing to the Evergy Missouri Metro electric 7 rate case. 8 My name is Debbie Quick and I am a 9 member of the Public Service Commission staff. 10 I will facilitate the question and answer 11 session for the hearing. 12 This hearing is streaming live on 13 the Public Service Commission website. I have 14 muted all the lines to reduce any excess 15 noise. 16 I would like to provide you with a 17 brief overview of the hearing process. There 18 will be two parts to this public hearing: Αn 19 informal and formal session. 20 The first part is the question and 21 answer session. This is the informal part of 22 the hearing where you will be able to ask any 23 questions you may have about the case. 24 I will ask representatives from 25

| | 6 |
|----|--|
| 1 | the Public Service Commission staff, Office of |
| 2 | Public Counsel, which is the consumer |
| 3 | advocate, Evergy Missouri, and other parties |
| 4 | to the case to introduce themselves shortly. |
| 5 | They will be able to answer any |
| 6 | questions you may have. |
| 7 | This part of the hearing will |
| 8 | stream live on the Commission's website, but |
| 9 | will not be recorded or on the record. |
| 10 | The judge and commissioners don't |
| 11 | participate in this part of the hearing since |
| 12 | the case is still being decided. |
| 13 | There is a general information |
| 14 | sheet about the rate case on the Public |
| 15 | Service Commission's website, which is |
| 16 | PSC.MO.GOV if you would like to have more |
| 17 | information. |
| 18 | The sheet is accessible from the |
| 19 | home page. If you have trouble accessing the |
| 20 | information sheet, you may contact the Public |
| 21 | Service Commission's consumer information |
| 22 | department, and that's 800-392-4211, and staff |
| 23 | will be able to assist you. |
| 24 | The second part of today's hearing |
| 25 | is the comment or testimony session with the |
| | |

judge and commissioners. 1 During this formal part of the 2 hearing, your statement will be on the record, 3 so it will be recorded and will become a part 4 of the case file. You won't be able to ask 5 questions in the second part of the hearing 6 since the case is still active. 7 The commissioners will review the 8 filings in the case record to make their 9 decision on the case, so it is important for 10 you to have your comment be a part of the 11 record. 12 The judge, commissioners, or 13 counsel for the parties may ask you a 14 question, but you can't ask a question. 15 Again, the second part of the 16 hearing is on the record with the court 17 reporter transcribing the comments. The court 18 reporter will not transcribe the question and 19 answer session, but the question and answer 20 session is also streaming live on the website. 21 At this point, I'd like to ask the 22 representatives to un-mute their lines and 23 identify themselves when introduced. 24 I will begin with the Evergy 25

Missouri representative. 1 DARRIN IVES: So, this is 2 Darrin Ives with Evergy Missouri, and I will 3 be providing the comments for the meeting 4 today. 5 DEBBIE QUICK: All right. 6 Thank you. Public Service Commission staff. 7 KAREN LYONS: This is Karen 8 I am a member of the Public Service Lyons. 9 Commission staff. 10 There are also several other, I 11 believe, Commission Staff members attending 12 this local public hearing so we will be able 13 to answer any questions that you may have. 14 DEBBIE QUICK: Okay. Thank 15 you. Office of Public Counsel. 16 JOHN CLIZER: Good afternoon. 17 My name is John Clizer. I am an attorney with 18 the Missouri Office of Public Counsel, and I 19 will be here to answer any questions that may 20 Thank you. be posed. 21 DEBBIE QUICK: Okay. Thank 22 you. If there are any other parties in the 23 case who would like to address questions and 24 make a statement, please speak up and let me 25

know. 1 Okay. Hearing none, if you are 2 joining us on video, there is a chat feature. 3 This feature is not a part of the record. Ιf 4 you have questions, you may use the chat 5 feature and we will try to answer your 6 questions as time allows. 7 If you would like to make a 8 comment to the Commission, please make your 9 comment in the second part of the hearing so 10 that it is part of the record, not in the chat 11 feature. 12 I would also like to ask the 13 representatives to identify themselves before 14 answering questions for those who are not on 15 video. 16 When you ask a question, please 17 un-mute your line. You may need to press star 18 six if you are joining the hearing by phone. 19 Unless you are speaking, please 20 make sure your line is muted to eliminate any 21 excess noise so everyone will be able to hear 22 the questions and answers. 23 Okay. We will go ahead and begin. 24 Please speak up if you have a question and we 25

| | JUDGE HATCHER: Good afternoon |
| 4 | everyone. This is Judge Hatcher. We are |
| 5 | getting everyone connected and then we will |
| 6 | get started with the hearing portion. |
| 7 | COMMISSIONER HOLSMAN: |
| 8 | |
| 9 | Commission Holsman is here. |
| 10 | JUDGE HATCHER: Excellent. |
| 11 | Thank you, Commissioner. |

| 21 | afternoon, Commissioner KOLKMEYER. |
| 22 | COMMISSIONER HOLSMAN: Judge, |
| 23 | if I have a stretch of land here where I lose |
| 24 | signal, I will call back in, but just wanted |
| 25 | to let you know. |
| 23 | |

JUDGE HATCHER: Absolutely. 1 Thank you, Commissioner. I appreciate that. 2 MAIDA COLEMAN: Commissioner 3 Coleman is here. 4 JUDGE HATCHER: Thank you, 5 Commissioner Coleman. Good afternoon. 6 MAIDA Coleman: Good 7 afternoon. I will be going to mute status. 8 JUDGE HATCHER: Thank you. 9 Understood. 10 All right. Let's go ahead and do 11 we have our court reporter, Miss Hearst? 12 REPORTER: I am on the line. 13 JUDGE HATCHER: On the record 14 then. 15 First, I would just ask that 16 everyone mute themselves unless they are 17 speaking. This will cut down on the noise 18 level and prevent any audio feedback. 19 Good afternoon to everyone, thank 20 everyone for their attendance in joining 21 today. 22 For the record, today is August 23 8th, 2022. The Missouri Public Service 24 Commission has set this time aside for a local 25

| 2 | JUDGE HATCHER: Excellent. |
| 3 | Thank you. |
| 4 | We have a number of intervenors in |

| 7 | If anyone would like to be |
| 8 | recorded on the record as being present, would |
| 9 | they go ahead and speak up now? This is for |
| 10 | the attorneys of the other parties. |
| 11 | Okay. We will move on. The |

| 13 | I have listed on the pre-registration, and I |

| 18 | up. It's a weird way of how Webex works, but |
| 19 | that will bring you to everyone's front screen |
| 20 | and then I will place you under oath and ask |
| 21 | you to state and spell your name, and then ask |

function of your smart phone. 1 The first name I have on the list 2 is Dawn Rice. Dawn Rice. 3 JOHN CLIZER: Your Honor? 4 JUDGE HATCHER: Yes. 5 JOHN CLIZER: There is a Dawn 6 in the list of participants, but she is muted. 7 JUDGE HATCHER: We will come 8 back. She might have stepped away for just a 9 moment. 10 And for anyone that did not 11 pre-register and would like to testify, I will 12 ask for those witnesses at the end of my list 13 of pre-registered witness. 14 I have two more pre-registered. Ι 15 have Beth Pauley, P-A-U-L-E-Y. 16 Okay. We will give Miss Pauley a 17 We will come back around and call her minute. 18 again. 19 Jenn DeRose. 20 JENN DEROSE: That's me. Hi. 21 JUDGE HATCHER: Yes, Miss 22 DeRose. Let's go ahead and get you sworn in. 23 (Witness is sworn in by the 24 judge.) 25

JUDGE HATCHER: Thank you. 1 Would you please state and spell 2 your last name for the record. 3 Yes. It's DeRose, D-E, capital Α 4 R - O - S - E . 5 JUDGE HATCHER: Thank you. 6 And Miss DeRose, please go ahead and give us 7 your comments. 8 JENN DEROSE: Thank you so 9 much. Thank you all for the opportunity to 10 testify today. My name is Jenn DeRose, and I 11 am Missouri's Beyond Coal campaign 12 representative to the Sierra Club, which is 13 the nation's oldest environmental 14 organization. 15 Our Missouri chapter alone has 16 over 10,000 members and over 45,000 17 supporters. 18 I am here to discuss how Evergy's 19 proposed rate increases will impact vulnerable 20 populations, fail to address the climate 21 crisis, and fail to provide the most 22 affordable, reliable energy to its customers. 23 Evergy spends nearly \$500 million 24 a year on coal imported from Wyoming. That's 25

| | 18 |
|---------|--|
| | just the fuel, not counting the hundreds of |
| 1 | |
| 2 | millions of dollars spent on keeping outdated, |
| 3 | heavily polluting plants running every year. |
| 4 | Coal costs, like all fossil fuel |
| 5 | costs are variable and unpredictable. These |
| 6 | costs are passed down to customers who are |
| 0 7 | increasingly unable to pay their bills. |
| , 8 | We expect Evergy's requested rate |
| 9 | increase to add an extra \$100 a year for |
| 9 10 | Evergy's Missouri customers. |
| | Thirteen percent of Missourians |
| 11 | live below the poverty line, meaning they are |
| 12 | already at risk of energy insecurity, a high |
| 13 | energy burden, which means that they pay a |
| 14 | much higher percentage of their income to keep |
| 15 | their electricity on than they can afford. |
| 16 | In the Kansas City region, in |
| 17 | Evergy territory, low income Black and Latino |
| 18 | communities experience an energy burden |
| 19 | averaging double of that of white communities. |
| 20 | |
| 21 | As a monopoly utility, Evergy |
| 22 | should be using the best available resources |
| 23 | and tech to run its business. Instead, it |
| 24 | continues to invest heavily in coal, a |
| 25 | generation source that is two to four times |
| | |

| | 19 |
|----------|--|
| | |
| 1 | more expensive than reliable clean energy |
| 2 | options, as well as being harmful to human |
| 3 | health and the environment. |
| 4 | Eighty percent of coal plants in |
| 5 | the United States are more expensive to |
| 6 | operate than building and operating wind and |
| 7 | solar facilities, according to a recent report |
| , 8 | from Energy Innovation. |
| 9 | As the climate warms, water |
| 10 | shortages become more common, even in |
| 10 | water-rich Missouri. According to NERC's |
| 12 | Reliability Assessment for 2022, drought |
| 12 | conditions can cause low water levels in the |
| 13 | rivers that are depended on by utilities for |
| 14 15 | cooling purposes, and this could create |
| | reliability issues as climate change continues |
| 16 17 | to wreck havoc on our weather patterns. |
| 17 | And of course, climate change is |
| 18 | worsened by the burning of coal, creating a |
| 19 20 | vicious cycle of heat and drought that can be |
| 20 | catastrophic for grid reliability. |
| 21 | Look no further than the last two |
| 22 | weeks in St. Louis for ample evidence of |
| 23 | climate catastrophes. It's sort of a |
| 24 | harbinger of what is to come. |
| 25 | |
| | |

Now, renewable's including wind 1 and solar, along with energy efficiency, 2 demand --3 JUDGE HATCHER: Miss DeRose? 4 JENN DEROSE: Yes, sir. 5 JUDGE HATCHER: I see that you 6 are a party in the case, and I just want to 7 make sure that your testimony here at the 8 public hearing isn't overlapping with the 9 pre-filed testimony from Sierra Club. 10 JENN DEROSE: No, it should 11 not be. 12 JUDGE HATCHER: Okay. A 13 couple more minutes. Please go ahead. 14 JENN DEROSE: Oh, sure. Thank 15 you kindly. 16 So, where was I? I guess we can 17 skip to the end. 18 I would really appreciate 19 disallowing continued investments in outdated 20 tech and modern modeling for future IRP's to 21 save customers money and invest in the health 22 and well being of our community. 23 And I do truly appreciate this 24 opportunity to testify. I really appreciate 25

these public hearings. 1 JUDGE HATCHER: Thank you very 2 much. Are there any commissioner questions 3 for Miss DeRose? 4 Thank you all. Miss DeRose, you 5 are excused from our virtual witness stand, so 6 to speak. 7 I am going to circle back and ask 8 for the first two names of witnesses, and that 9 is Dawn Rice. Miss Dawn Rice and Beth Pauley. 10 Okay. I am not hearing anyone 11 speak up. Let's go ahead and open it to 12 anyone else that is on the Webex or the 13 call-in. 14 Anyone else wish to testify? 15 JOHN CLIZER: Your Honor, I 16 apologize. I assume that you mentioned this 17 earlier, but I want to remind participants 18 that anyone who has called in would need to 19 hit star six to un-mute themselves, otherwise 20 we will not be able to hear them. Sorry. 21 JUDGE HATCHER: No. Excellent 22 point. Excellent point. 23 If you have called in on a phone, 24 it is star six to un-mute. 25

Thank you very much, Mr. Clizer. 1 I will give it one more minute, 2 and then we will go ahead and close our 3 hearing today. 4 Once again, we are looking for 5 testimony from Dawn Rice, Beth Pauley or 6 anyone interested from the Webex audience. 7 Okay. With that, I would like to 8 thank all of our participants today for their 9 testimony. 10 I would ask if there is any 11 closing remarks from any of our commissioners 12 today, and again for the record, we have all 13 five of our commissioners in attendance today. 14 MR. SILVEY: No remarks. 15 MR. Rupp: Thank you, Judge, I 16 have no remarks. 17 JUDGE HATCHER: Thank you, 18 Chairman. Thank you, Commissioner Rupp. 19 MR. HOLSMAN: Thank you, 20 Judge. No remarks. 21 JUDGE HATCHER: Thank, you 22 Commissioner Holsman. 23 If anyone does have any additional 24 comments or they know of someone who could not 25
