

INTERCONNECTION AGREEMENT

This Agreement for the indirect interconnection of networks and the exchange of reciprocal compensation and some other traffic between Alma Communications Company d/b/a Alma Telephone Company, an Incumbent Local Exchange Carrier (ILEC) certificated to provide local exchange services in the State of Missouri, and Verizon Wireless (VAW) LLC, CyberTel Cellular Telephone Company, St. Joseph CellTelco and Cellco Partnership, all d/b/a Verizon Wireless, with offices located at One Verizon Way, Basking Ridge, NJ 07920 (collectively, "CMRS"), effective upon the 31st day of August, 2007 ("Effective Date"). This Agreement has been executed pursuant to Section 251(b) (5) of the Telecommunications Act of 1996. (ILEC and CMRS are also sometimes referred to herein as "Party" or, collectively, "Parties.")

CMRS and ILEC recognize their responsibilities to compensate the other pursuant to Section 4 of this Agreement for termination of certain traffic originated by and under the responsibility of each Party.

In consideration of the mutual covenants contained in this Agreement, the Parties agree as follows:

SECTION 1 - SCOPE OF AGREEMENT

1.1 This Agreement shall cover traffic exchanged between the Parties through an indirect interconnection of the Parties' networks, and which terminates to the other Party through the facilities of a third-party carrier in Missouri. CMRS has direct connections with Citizens Telephone Company, and with AT&T Missouri, and can indirectly interconnect with ILEC through either of those local exchange carriers.

SECTION 2 - DEFINITIONS

Certain terms used in this Agreement shall have the meanings as defined below. Other terms used but not defined herein will have the meanings ascribed to them in the Act or in the Rules and Regulations of the Federal Communications Commission or the Missouri Public Service Commission. The Parties acknowledge that other terms appear in this Agreement that are not defined or ascribed as stated above. The Parties agree that any such terms shall be construed in accordance with their customary usage in the telecommunications industry as of the Effective Date of this Agreement.

2.1 “Act” - the Communications Act of 1934, as amended by the Telecommunications Act of 1996, and as further amended from time to time and as interpreted in the duly authorized rules and regulations and Orders of the Federal Communication Commission or a state regulatory commission.

2.2 “Commission” - Missouri Public Service Commission.

2.3 “FCC” - Federal Communications Commission.

2.4 “Local Traffic” - Local Traffic under this Agreement is traffic between ILEC and CMRS that, at the beginning of the call, originates and terminates within the same Major Trading Area or as otherwise defined in 47 C.F.R. 51.701 (b). For ILEC, the origination or termination point of a call shall be the end office switch that serves, respectively, the calling or called party at the beginning of the call. For CMRS, the origination or termination point of a call shall be the cell site/base station that serves, respectively, the calling or called party at the beginning of the call. Paging traffic and ISP traffic will not be exchanged between the parties

2.5 “MTA” - Major Trading Area as defined in 47 C.F.R. 24 of the FCC Rules and Regulations.

2.6 “Non-local Traffic” - Non-local Traffic under this Agreement is traffic between ILEC and CMRS that is not Local Traffic. Non-local Traffic may be either interstate or intrastate traffic, depending on the locations where the call originates and terminates.

SECTION 3 - TRAFFIC EXCHANGE

3.1 Each Party shall be responsible for provisioning its traffic, if any, exchanged under this Agreement. Each Party shall be responsible for establishing appropriate contractual or tariff relationships with the third-party carrier(s), if any, that Party selects, or which may be selected by a customer of ILEC, for transiting traffic to the other Party. Each Party shall be responsible for providing the trunks from its network to the point of interconnection with the network(s) of any such third-party carrier(s), and for paying such third-party carrier(s) for the costs of transiting calls that the Party originates, or applying that Party’s tariffs, if any.

SECTION 4 - COMPENSATION

4.1 Compensation for traffic exchanged between the Parties shall be based upon the specific type and jurisdiction of calls as follows:

4.1.1 Local Traffic - Local Traffic calls shall be compensated based on the local termination rate established in Appendix 1, and such compensation for Local Traffic shall be reciprocal and at symmetrical rates.

4.1.2 Non-local Intrastate Traffic - Non-local Traffic calls originated by CMRS and terminating to ILEC within the same State will be compensated based upon the applicable intraLATA rate for termination of Non-local Intrastate Traffic identified in Appendix 1.

4.1.3 Non-local Interstate Traffic - Non-local Traffic calls originated by CMRS and terminating to ILEC within different states will be compensated based upon the applicable intraLATA rate for termination of Non-local Interstate Traffic identified in Appendix 1.

4.2 Factors - For the purposes of this Agreement, the Parties agree to use the percentages referenced in Appendix 1 as a fair estimate of the proportions of the total amount of traffic originated by CMRS that is assignable to each of the three different jurisdictions identified in Section 4.1 above. This percentage shall remain in effect until amended as provided in Section 5.3 below.

SECTION 5 - RECORD EXCHANGES AND BILLING

5.1 The Party terminating traffic under this Agreement (*i.e.*, the “Billing Party”) shall issue bills based on the best information then available including, but not limited to, records of terminating traffic created by the Party at its end office switch. Records should be provided at an individual call detail record, if possible, with sufficient information to identify the specific date and time of the call, the call duration, and the originating and terminating numbers. It is understood that AT&T Missouri and Citizens Telephone Company currently provide ILEC with access to IXC type modified 11-01-XX call records from which ILEC can obtain the volumes of traffic originated by CMRS and terminating to ILEC, but these records do not provide sufficient individual call detail to determine individual call jurisdiction. As set forth in the following subsections, the traffic totals derived from adding AT&T Missouri call records provided to ILEC with Citizens Telephone Company call records provided to ILEC will be the basis upon which traffic quantities exchanged are billed. The Parties will work cooperatively in the future to improve the call information available to provide or exchange billing records in industry standard formats containing sufficient call detail to allow the Billing Party to issue bills based on information it receives through the network, without having to rely upon or pay for the services of a non-party such as AT&T Missouri. Neither Party shall be obligated as a result of this Agreement to develop or create new billing formats or records to satisfy any duty or obligation

hereunder, or to pay for the services of third-party carriers or other entities for billing format or record creation to satisfy any duty or obligation hereunder.

5.2 The Parties agree to bill each other for termination of traffic as described in this Agreement. The balance of traffic exchanged between the parties via indirect interconnection is identified in Appendix 1 (“Traffic Ratio”). In light of the Parties’ inability to track and measure the amount of traffic exchanged via indirect interconnection, the mobile to landline traffic from CMRS terminating to ILEC via AT&T Missouri and Citizens Telephone Company, as tabulated by Alma from such call records sent by AT&T Missouri and Citizens Telephone Company to Alma, will be divided by the Mobile to Landline Traffic Ratio to arrive at the total traffic exchanged between the Parties (“Total Traffic”).

5.2.1 ILEC will calculate the amount CMRS owes ILEC by taking the Total Traffic and multiplying by the Mobile to Landline Traffic Ratio to arrive at the total traffic terminating to ILEC, then applying the traffic percentages and rates as identified in Appendix 1.

5.2.3 CMRS will calculate the amount ILEC owes CMRS by taking the Total Traffic, as that number is received from ILEC in its bill to CMRS, and multiplying by the Landline to Mobile Traffic Ratio to arrive at the total traffic terminating to CMRS, then applying the Local Termination Rate as identified in Appendix 1.

5.2.4 The procedures described in this Section 5.2 are intended to encompass the totality of reciprocal compensation traffic exchanged between the Parties. No separate compensation shall be due either Party from the other for traffic delivered to an IXC. Each Party will deal with IXCs for services rendered or provided pursuant to that Party’s contractual or tariff relationships with IXCs, separate and independent of the provisions of this Agreement.

5.3 Should either Party believe there has been a material change in the ratio of land-to-mobile and mobile-to-land traffic, or in the proportion of Local versus Non-local traffic terminating to ILEC via indirect interconnection, the Traffic Ratio or the Factors will be adjusted by mutual agreement of the Parties. The Party requesting a change shall provide to the other valid network information, whereupon the Parties shall use such network information for reexamination to negotiate in good faith mutually acceptable revised Traffic Ratios or Factors. For purposes of this Agreement, "valid network information" includes minutes of use, calling and called party information, originating and terminating NPA-NXX, available detail, if any, identifying location of CMRS calling or called customer, and network configuration information identifying cell site locations, coverage maps, or the location of the cell tower serving CMRS calling or called customers, which, for at least three consecutive billing periods, indicates an amount of Non-local Traffic that is at least five percentage points greater or lesser than the Non-local percentage amount to which the Parties previously agreed, or which, for at least three consecutive billing periods, indicates a Traffic Ratio that is at least five percentage points greater or lesser than the ratio to which the Parties previously agreed. Either Party initiating such reexamination for the purpose of proposing changes to this Agreement will provide the other Party not less than thirty (30) days' notice of intent to conduct the reexamination, and the opportunity for the other Party to participate in the establishment, conduct, and results of the reexamination. The Parties agree to cooperate in good faith to amend this Agreement to reflect this revised Factors or Traffic Ratio, and such revised percentages will be effective upon amendment of this Agreement, including any state commission approval, if required. Such reexaminations shall be conducted no more frequently than once annually.

5.4 The originating Party shall pay the Billing Party for all charges properly listed on the bill. Such payments are to be received within thirty (30) days from the effective date of the billing statement. The originating Party shall pay a late charge on any undisputed charges that are not paid within the thirty (30) day period. The rate of the late charge shall be the lesser of 1% per month or the maximum amount allowed by law. Normally, neither Party shall bill the other Party for traffic that is more than ninety days old. However, in those cases where billing cannot be performed within that time frame because of record unavailability, inaccuracies, corrections, *etc.*, billing can be rendered or corrected for periods beyond ninety days. In no case, however, will billing be made for traffic that is more than one year old.

SECTION 6 - AUDIT PROVISIONS

6.1 As used herein, "Audit" shall mean a comprehensive review of services performed under this Agreement. Either Party (the "Requesting Party") may perform one (1) Audit per 12-month period commencing with the Effective Date.

6.2 Upon thirty (30) days written notice by the Requesting Party to the other "Audited Party", the Requesting Party shall have the right, through its authorized representative(s), to perform an Audit, during normal business hours, of any records, accounts and processes which contain information bearing upon the services provided, and performance standards agreed to, under this Agreement. Within the above-described 30-day period, the Parties shall reasonably agree upon the scope of the Audit, the documents and processes to be reviewed, and the time, place and manner in which the Audit shall be performed. The Audited Party agrees to provide Audit support, including reasonable access to and use of the Audited Party's facilities (e.g., conference rooms, telephones, copying machines).

6.3 Each Party shall bear the cost of its own expenses in connection with the conduct of the Audit. The reasonable cost of special data extraction required by the Requesting Party to conduct the Audit will be paid for by the Requesting Party. For purposes of this Section 6.3, “Special Data Extraction” shall mean the creation of an output record or information report (from existing data files) that is not created in the normal course of business by the Audited Party. If any program is developed to the Requesting Party’s specifications and at the Requesting Party’s expense, the Requesting Party shall specify at the time of request whether the program is to be retained by the Audited Party for reuse during any subsequent Audit.

6.4 Adjustments, credits or payments shall be made, and any correction action shall commence, within thirty (30) days from the Requesting Party’s receipt of the final audit report to compensate for any errors or omissions which are disclosed by such Audit and are agreed to by the Parties. One and one-half (1 1/2) percent or the highest interest rate allowable by law for commercial transactions, whichever is lower, shall be assessed and shall be computed on any adjustments, credits or payments if the audit establishes an overpayment or underpayment of greater than two percent (2%) of the actual amount due by compounding monthly from the time of the error or omission to the day of payment or credit.

6.5 Neither the right to Audit, nor the right to receive an adjustment, shall be affected by any statement to the contrary appearing on checks or otherwise, unless such statement expressly waiving such right appears in writing, is signed by the authorized representative of the Party having such right and is delivered to the other Party in a manner provided by this Agreement.

6.6 This Section 6 shall survive expiration or termination of this Agreement for a period of two (2) years after expiration or termination of this Agreement.

SECTION 7 - DISPUTE RESOLUTION

7.1 The Parties agree to resolve disputes arising out of this Agreement with a minimum amount of time and expense. Accordingly, the Parties agree to use the following dispute resolution procedure as a sole remedy with respect to any controversy or claim arising out of or relating to this Agreement.

7.2 At the written request of a Party commencing the dispute resolution process described herein, each Party will appoint a representative to meet and negotiate in good faith for a period of sixty (60) days (unless it becomes clear that a voluntary resolution is unlikely) after the request to resolve any dispute arising under this Agreement. The Parties intend that these negotiations be conducted by non-lawyer business representatives, but nothing prevents either Party from also involving attorneys in the process. The location, format, frequency, duration, and conclusion of these discussions shall be left to the discretion of the representatives. Upon mutual agreement of the representatives, the representatives may utilize other alternative dispute resolution procedures such as mediation to assist in the negotiations. Discussion and correspondence among the representatives for purposes of these negotiations shall be treated as settlement discussions and confidential information developed for purposes of settlement, exempt from discovery and production, which shall not be admissible in the Commission proceeding or arbitration described below or in any lawsuit without concurrence of both Parties.

7.3 If the negotiations do not resolve the dispute within sixty (60) days (or sooner if the parties agree that a voluntary resolution will not occur) after the initial written request, the dispute may be brought in any lawful forum for resolution unless the Parties mutually agree to submit the dispute to binding arbitration by the Missouri Public Service Commission pursuant to that Commission's rules and regulations. In the event the Missouri Public Service Commission

does not accept the dispute for resolution, then by a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association or such other rules to which the Parties may agree. If the Parties mutually agree to submit the dispute to binding arbitration, the arbitration hearing shall be commenced within forty-five (45) days after the agreement for arbitration and shall be held in Kansas City, Missouri, or any other location to which the Parties mutually agree. The arbitrator shall control the scheduling so as to process the matter expeditiously. The Parties may submit written briefs. The arbitrator shall rule on the dispute by issuing a written opinion within thirty (30) days after the close of hearing. The times specified in this section may be extended upon mutual agreement of the Parties or by the arbitrator upon a showing of good cause. The decision of the arbitrator shall be final and binding upon the Parties, and judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. Each party shall bear its own costs and attorneys' fees of the arbitration procedures set forth in this Section and shall equally split the fees and costs of the arbitration and the arbitrator.

7.4 In addition to the foregoing Dispute Resolution process, if any portion of an amount due to the Billing Party under this Agreement is subject to a bona fide dispute between the parties, the Party billed (the "Non-Paying Party") shall, within thirty (30) days of its receipt of the invoice containing such disputed amount, give notice to the Billing Party of the amounts in dispute ("Disputed Amounts") and include in such notice the specific details and reasons for disputing each item. The Non-Paying Party shall pay when due all undisputed amounts to the Billing Party. The balance of the Disputed Amount shall thereafter be paid, with late charges as provided in Section 5.3, if appropriate, upon final determination of such dispute. Late charges assessed on those amounts that were unpaid but disputed after thirty (30) days from the receipt of

the invoice, shall be credited to the non-paying Party for any disputed amounts which were ultimately found to be not due and payable.

7.5 No cause of action, regardless of form, arising out of the subject matter of this Agreement may be brought by either Party more than two years after the cause of action has accrued. The Parties waive the right to invoke any different limitation on the bringing of actions provided under state or federal law unless such waiver is otherwise barred by law.

SECTION 8 - CONFIDENTIAL INFORMATION

8.1 The Parties recognize that they or their authorized representatives may come into possession of confidential and/or proprietary data about each other's business as a result of this Agreement. Each Party agrees to treat all such data as strictly confidential and to use such data only for the purpose of performance under this Agreement. Each Party agrees not to disclose data about the other Party's business, unless such disclosure is required by lawful subpoena or order, to any person without first securing the written consent of the other party. If a Party is obligated to produce, divulge, or otherwise disclose the other Party's confidential information as the result of an order or subpoena issued by a court or other tribunal of competent jurisdiction, then the Party to which such demand is being made shall notify the other Party as soon as possible of the existence of such demand, and shall provide all necessary and appropriate assistance as the Party whose information is sought to be disclosed may reasonably request in order to preserve the confidential nature of the information sought.

SECTION 9 - LIABILITY AND INDEMNIFICATION

9.1 Neither Party assumes any liability for any act or omission of the other Party in the furnishing of its services to its subscribers solely by virtue of entering into the Agreement. To the extent not prohibited by law or inconsistent with the other terms of this Agreement, each

Party shall indemnify the other Party and hold it harmless against any loss, costs, claims, injury or liability relating to any third-party claim arising out of any act or omission of the indemnifying Party in connection with the indemnifying Party's performance under this Agreement. Furthermore, the Parties agree to arrange their own interconnection arrangements with other telecommunications carriers, and each Party shall be responsible for any and all of its own payments thereunder. Neither Party shall be financially or otherwise responsible for the rates, terms, conditions, or charges between the other Party and another telecommunications carrier.

9.2 NEITHER PARTY MAKES ANY WARRANTIES, EXPRESS OR IMPLIED, FOR ANY HARDWARE, SOFTWARE, GOODS, OR SERVICES PROVIDED UNDER THIS AGREEMENT. ALL WARRANTIES, INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE EXPRESSLY DISCLAIMED AND WAIVED.

9.3 In any event, each Party's liability for all claims arising under this Agreement, or under the provision of the service provided under this Agreement, shall be limited to the amount of the charges billed to the Party making a claim for the month during which the claim arose.

SECTION 10 - TERM OF AGREEMENT

10.1 This Agreement shall commence on the Effective Date, and shall terminate two years after the Effective Date. This Agreement shall renew automatically for successive one-month terms, commencing on the termination date of the initial term or latest renewal term. The automatic renewal shall take effect without notice to either Party, except that either Party may elect (1) not to renew by giving the other Party at least thirty (30) days written notice of the desire not to renew; or (2) to negotiate a subsequent agreement by giving the other Party at least

thirty (30) days written notice of the desire to commence negotiations. If a Party elects to negotiate a subsequent agreement and a subsequent agreement has not been consummated prior to the termination date of the current Agreement, the current Agreement shall continue to be in effect until it is replaced by a new Agreement, or one hundred eighty (180) days beyond the termination date of the current Agreement, whichever is less.

SECTION 11 - INDEPENDENT CONTRACTORS

11.1 The Parties to this Agreement are independent contractors. Neither Party is an agent, representative, or partner of the other Party. Neither Party shall have the right, power, or authority to enter into any agreement for or on behalf of, or incur any obligation or liability of, or to otherwise bind the other Party. This Agreement shall not be interpreted or construed to create an association, joint venture, or partnership between the Parties or to impose any partnership obligation or liability upon either Party.

SECTION 12 - THIRD PARTY BENEFICIARIES

12.1 This Agreement is not intended to benefit any person or entity not a Party to it and no third Party beneficiaries are created by this Agreement.

SECTION 13 - GOVERNING LAW, FORUM AND VENUE

13.1 The construction, validity, and enforcement of this Agreement shall be governed by the laws and regulations of the State of Missouri, except when federal law may be controlling, in which case federal law will govern.

SECTION 14 - ENTIRE AGREEMENT

14.1 This Agreement, including all Parts and Attachments and subordinate documents attached hereto or referenced herein, all of which are hereby incorporated by reference, constitute the entire matter thereof, and supersede all prior oral or written agreements,

representations, statements, negotiations, understandings, proposals, and undertakings with respect to the subject matter thereof.

SECTION 15 - NOTICE

15.1 Notices shall be sent via certified, registered, or overnight mail. Unless otherwise provided in this Agreement, notice by mail shall be effective on the date it is officially recorded as delivered by return receipt or equivalent, in the case of CMRS to:

or to such other location as the receiving Party may direct in writing.

SECTION 16 - FORCE MAJEURE

16.1 The Parties shall comply with applicable orders, rules, or regulations of the FCC and the Commission and with applicable Federal and State law during the terms of this Agreement.

Notwithstanding anything to the contrary contained herein, a Party shall not be liable nor deemed to be in default for any delay or failure of performance under this Agreement resulting from acts of God, civil or military authority, acts of the public enemy, war, hurricanes, tornadoes, storms, fires, explosions, earthquakes, floods, government regulation, strikes, lockouts, or other work interruptions by employees or agents not within the control of the non-performing Party.

SECTION 17 - TAXES

17.1 The Party collecting revenues shall be responsible for collecting, reporting, and remitting all taxes associated therewith, provided that the tax liability shall remain with the Party upon whom it is originally imposed.

SECTION 18 - ASSIGNMENT

18.1 Neither Party may assign this Agreement without the prior written consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed, provided, however, a Party may assign this Agreement or any portion thereof, without consent, to any entity that, on the effective date of this Agreement, controls, was controlled by or under the common control with the assigning Party. Any such assignment shall not, in any way, affect or limit the rights and/or obligations of the Parties under the terms of this Agreement.

SECTION 19 - TERMINATION OF SERVICE TO EITHER PARTY

19.1 Failure of either Party to pay undisputed charges shall be grounds for termination of this Agreement. If either Party fails to pay when due any undisputed charges billed to them under this Agreement (“Undisputed Unpaid Charges”), and any portion of such charges remain unpaid

more than thirty (30) days after the due date of such Undisputed Unpaid Charges, the Billing Party will notify the billed Party in writing that in order to avoid having service disconnected, the billed Party must remit all Undisputed Unpaid Charges to the Billing Party within thirty (30) days after receipt of said notice (the "Termination Notice"). Disputes hereunder will be resolved in accordance with the Dispute Resolution Procedures set out in Section 7 of this Agreement.

19.2 Either Party may discontinue service to the other Party upon failure to pay Undisputed Unpaid Charges as provided in Section 19.1, and will have no liability to the non-paying Party in the event of such disconnection. To the extent necessary, either party may request the assistance of a third-party LEC in order to effectuate disconnection.

19.3 After disconnect procedures have begun, the Billing Party will not accept service orders from the non-paying Party until all Undisputed Unpaid Charges are paid in full, in immediately available funds. The Billing Party will have the right to require a deposit equal to one month's charges (based on the highest previous month of service from the Billing Party) prior to resuming service to the non-paying Party after disconnection for nonpayment.

SECTION 20 - MISCELLANEOUS

20.1 The Parties acknowledge that ILEC may be entitled to a rural exemption as provided by 47 U.S.C. § 251 (f), and ILEC does not waive such exemption by entering into this Agreement.

20.2 In the event that any effective legislative, regulatory, judicial, or other legal action affects any material terms of this Agreement, or the ability of the Parties to perform any material terms of this Agreement, either Party may, on thirty (30) days' written notice, require that such items be renegotiated, and the Parties shall renegotiate in good faith such mutually acceptable new terms as may be required. In the event that such new terms are not renegotiated within ninety

(90) days after such notice, either Party may terminate this Agreement or the dispute may be referred to the Dispute Resolution procedure set forth in Section 7 of this agreement.
