Surrebuttal Testimony of
Shawn E. Lange

1 Q. Which staff witness's testimony relies on the updated normalized hourly
2 net system loads?

3 A. Staff witness David W. Elliott used these hourly loads in his fuel model to
4 normalized fuel and purchase power expenses for the test year.

5 Q. What is your recommendation to the Commission?

6 A. I recommend that the Commission adopt the updated normalized hourly
7 net system loads that I calculated. A monthly summary of the updated normalized net
8 system load for MPS is on Schedule 1.

9 Q. Does this conclude your Surrebuttal Testimony?

10 A. Yes, it does.
