Implement Regulatory Changes in Furtherance            )       File No. EO-2018-0211  
of Energy Efficiency as allowed by MEEIA.                )

**NOTIFICATION OF NEW ENERGY EFFICIENCY PROGRAMS**

COMES NOW Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri" or the "Company") and submits this *Notification of New Energy Efficiency Programs*. On December 5, 2018, the Missouri Public Service Commission ("Commission") approved a *Stipulation and Agreement* ("*Stipulation*") between multiple parties in this proceeding that established the framework for Ameren Missouri's 2019-21 Missouri Energy Efficiency and Investment Act ("MEEIA") energy efficiency programs, which will replace the MEEIA 2016-2018 energy efficiency programs that will expire after February 28, 2019. The Company is therefore providing notice in this docket that effective March 1, 2019, it will be implementing its initial business and residential energy efficiency programs for the 2019-21 MEEIA Cycle that contain measures and incentive amounts comporting to those described in the *Stipulation*, as reflected in the list of measures and associated web page mock-ups attached to this pleading.

Respectfully submitted,
