Please note that Desa International filed bankruptcy in December 2000 and is no longer in business. DesaTech.com is an information site for products manufactured by Desa prior to 2000. This site has owner's manuals and tech tips that were written by Desa prior to their bankruptcy. You can also find links to purchase parts for Desa products, as well as links to other manufacturers of heating products similar to those previously offered by Desa. Products that were manufactured by Desa should only be serviced by qualified technicians.
