Hello {Customer Name},

We will no longer provide discounts in Missouri through the Federal and State Lifeline Programs and the State Disabled Program beginning 7/5/2017. This change is due to our decision to no longer be an eligible telecommunications carrier (ETC) in Missouri.

How does this impact you? While your voice service will not change, you will no longer receive the Lifeline or State Disabled Program discount on your monthly bill. In order to retain your Lifeline or State Disabled Program discount, you must contact another ETC service provider participating in the Lifeline or State Disabled Program. A list of Lifeline providers can be found at lifelinesupport.org or you can call Universal Service Administrative Company (USAC) at 888.641.8722. A list of State Lifeline and Disabled program providers can be found at

AT&T has many solutions to fit your voice service needs. If you are interested, please call us at **XXX.XXX.XXXX** to speak with a representative to find out about other possible solutions.
