

Appendix B

MER-Qualifying Medical Equipment

The following list of medical equipment shall be considered as qualifying medical equipment for the MER without further justification aside from affirmation by a doctor, physician's assistant, hospice nurse, or nurse practitioner that the equipment is necessary for the customer or someone in the customer's household:¹

- Apnea Bradycardia Monitor
- Apnea Monitor
- BIPAP (Bilevel Positive Airway Pressure)
- CPAP - Child
- Dialysis (all types)
- Home Kidney (Peritoneal Cycler) Dialysis
- Heart Monitor
- IPPB Respirator
- Oxygen Concentrator
- Respirator
- Suction Machine
- Ventilator

¹ The MER form will also include space for a doctor, physician's assistant, or nurse practitioner to list additional equipment not included in this list with a justification for why this equipment qualifies as critically necessary to sustain the life of the patient.
