Case No. _____

Missouri Public
Service Commission

for change of electric supplier.)

APPLICATION FOR CHANGE OF ELECTRIC SERVICE PROVIDER

1. Applicant's address is: 10123 County Rd N

Ex Spgs Mo 64024

2. The name of Applicant's current electric service provider is: _____

Platte Clay Electric Coop

3. Applicant requests the Missouri Public Service Commission to order a change of electric supplier to the address indicated above.

4. Applicant requested the Commission to order a change of electric supplier

from Platte Clay Electric
(Current)

to AmerenUE
(Requested)

5. Applicant requests the Missouri Public Service Commission to order a change of electric provider for the following reasons. Applicant has reason to

doubt reliability of electric provider to his
residence because of prior flickering problems
The current lines runs 3 mile through a
cultivated field which is a flood plain &
he is the only one on this mile of line

AmerenUE line runs directly in front of residence
& would ensure better more reliable service. The
residence also houses a kennel which must be climate
controlled at all times. When Platte clay has problems
with their lines, applicant because of lack of priority
is concerned about outages & danger to Kennel
animals. The of using & maintaining AmerenUE
lines would be financially advantageous for
company & customer.

6. Applicant has taken the following steps in an attempt to work out electric service problems with the electric service provider: Applicant has

made numerous calls to current
provider with concerns about
service or usage. No satisfaction
except standard form letter.

WHEREFORE, Applicant requests the Missouri Public Service Commission to issue an Order which changes the current electric service provider.

*If reason for change is poor service, outages, low voltage, etc., applicant should submit a record of service problems covering at least 90 days, including dates and times of problems to the extent possible. Applicant should also attempt to determine reasons for any service problems. For instance, if electric service was out or you are experiencing blinking lights, you should contact the supplier of electric service to determine the problem, and include this information with the application. (If the reasons from the supplier was a storm, car hitting pole, trees in line, conductor fell down, or whatever the supplier states for the problem, this should be noted.)
