Operations Company's Request for Authority        )  
To Implement A General Rate Increase for            )  
Electric Service.    )        Case No. ER-2012-0175

**NOTICE REGARDING EXTRA-RECORD COMMUNICATION**

Issue Date: February 23, 2012

On February 23<sup>rd</sup> at 3:00 p.m. I had a conference call with Mike Chesser of Kansas City Power & Light Company – Great Plains Energy. Lewis Mills from the Office of the Public Counsel was also invited to be on the call. Mr. Chesser and I waited for Mr. Mills for 10 minutes and when he did not join the call, we proceeded to discuss the retirement of Mr. Chesser and the fact that Mr. Terry Bassham was taking over his role in the company. We also discussed his plans for retirement which included travelling and spending time with his grandchildren. We ended the call at 3:15 p.m.

Respectfully submitted,

Kevin D. Gunn, Chairman

Dated at Jefferson City, Missouri,  
on this 23<sup>rd</sup> day of February, 2012.
