Case No. ER-2009-0089

**CONCURRING OPINION OF  
COMMISSIONER TERRY M. JARRETT**

I concur in the result of the Commission's Order Regarding Staff's Motion to Compel (the "Order"). I write separately because I believe that this is an investigatory, not a discovery, matter, and the Order's analysis setting forth "Discovery versus Investigation or Audit" is dispositive of this matter. As such, the Order's discussion and analysis of the rules of discovery are inapplicable at this point in time.
