NOTICE OF CORRECTED COMPLAINT

Issue Date: August 27, 2007

CERTIFIED MAIL

On August 17, 2007, Linda Light filed a complaint with the Missouri Public Service Commission against Missouri Gas Energy (MGE). On August 27, 2007, Ms. Light filed a corrected version of that complaint, because a page was missing from the originally filed complaint. A copy of the corrected complaint is enclosed. Under Commission Rule 4 CSR 240-2.070(7), MGE has 30 days from the date of this notice to file an answer or to file notification that the complaint has been satisfied. The Commission issued notice of the original complaint on August 20, 2007, making MGE's response due by September 19, 2007. Since this notice is being issued on August 27, 2007, MGE's response to Ms. Light's complaint, as corrected, is due by Wednesday, September 26, 2007.

In the alternative, MGE may file a written request that the complaint be referred to a neutral third-party mediator for voluntary mediation. If the Commission receives a request for mediation, the 30-day time period for filing an answer or notice of satisfaction will be tolled while the Commission determines whether the complainant is also willing to mediate. If the complainant agrees to mediation, the time for MGE to file an answer or notice of satisfaction will be suspended until the mediation is finished. Additional information regarding the mediation process is enclosed.

If the complainant does not wish to mediate, MGE will be notified in writing that the tolling has ceased and will also be told when to file its answer or notice of satisfaction. That response will usually be due at the end the remaining portion of the original 30-day period.

All pleadings, including the answer, must be mailed to:

Secretary of the Public Service Commission
P.O. Box 360
Jefferson City, Missouri 65102-0360

A copy must be served upon the complainant at the address listed within the enclosed complaint. A copy of this notice has been mailed to the complainant.
