Dear Ms. Shewmaker:

As indicated in Laclede's Answer to your complaint, attached is information on your gas usage between 1989 and 2005. As you can see, prior to the meter change in October 1997, your usage was twice as high as after that meter change.

After you've had a chance to review the enclosed material, please contact me so that we may discuss your complaint.

Very truly yours,

Rick Zucker
