Present Position:

I am a Utility Regulatory Auditor in the Auditing Unit, of the Utility Services Department of the Missouri Public Service Commission. I have been employed by the Missouri Public Service Commission since January of 2008.

Educational Background and Work Experience:

I received a Bachelor of Science degree in Accounting with a minor in Business Administration from Maryville University of St. Louis in 2006. Prior to joining the Commission, I was employed by the Meramec Valley R-III school district from 2000-2008 as a Computer Teacher, Aide, and Substitute Teacher. I was also employed by the Longview Animal Nutrition Center from 2002-2005 as a Research Technician. My duties entailed nutritional testing, data entry, animal surgeries, vaccinations and basic care. Additionally, I was employed by Fitzgerald & Fitzgerald P.C. from 2005-2006. My duties entailed the preparation of personal and corporate income taxes as well as reviewing corporate accounting procedures.

Education and Employment Background and Credentials

I attended Central Missouri State University at Warrensburg, Missouri. In May 1996, I received a Bachelor of Science degree.

I am currently employed as a Utility Policy Analyst II with the Energy Rate Design & Tariffs Unit within the Tariff, Safety, Economic & Engineering Analysis Department of the Missouri Public Service Commission (Commission). I have been employed by the Commission since July, 2009. From July 2009 to June 2013, I worked in the Tariffs/Rate Design Section of the Energy Unit as a Rate and Tariff Examiner III, where my duties consisted of analyzing applications, reviewing tariffs and making recommendations based upon those evaluations. On June 16, 2014, I assumed my current position as Utility Policy Analyst II within the same Section, where my duties consist of coordinating highly complex activities, analyzing applications, reviewing tariffs, and making recommendations based upon my evaluations. Prior to joining the Commission, I held the position of a Quality Assurance Analyst in the regulatory field for ten years.

UTILITY REGULATORY AUDITOR V UTILITY SERVICES DEPARTMENT AUDITING UNIT

In July 2001, I earned a Bachelor of Science degree in Accounting, graduating with Honors, from Webster University. I also earned a Masters in Business Administration with an emphasis in Accounting from Maryville University in December of 2006.

Beginning in 2001, I have been employed by the Missouri Public Service Commission for 14 years. In that time, the scale of my duties have ranged from the direct examinations of accounting books, spreadsheets, records, and general operations up to full audit engagement directing and scheduling for utility companies operating within the State of Missouri. I have also conducted numerous audits of small water and sewer companies as defined under the Commission's informal rate case proceedings. Prior to working at the Commission, between 1989 and 2001, I held other positions that magnified my accounting and auditing experience: an auditing internship with the Internal Revenue Service, a bookkeeper at Rinderer's Union Drug and an accounting manager for Bucklick Creek, Inc.

Thomas M. Imhoff

Present Position:

I am Rate & Tariff Examination Manager in the Energy Unit, Operations Division of the Missouri Public Service Commission. My unit participates and makes recommendations on tariff filings, and cases filed at the Commission such as rate, complaint, applications, territorial agreements, sales, and merger cases. We also perform and provide technical support on the issues of rate design, class-cost-of-service studies and customer weather normalizations.

Educational Background and Experience:

I attended Southwest Missouri State University at Springfield, Missouri, from which I received a Bachelor of Science degree in Business Administration, with a major in Accounting, in May 1981. I began employment with the Commission in October, 1981. In May 1987, I successfully completed the Uniform Certified Public Accountant (CPA) examination and subsequently received the CPA certificate. I am currently licensed as a CPA in the State of Missouri.
