This Fax letter is to explain why I was unavailable for the scheduled conference call. I was at work and we are unable to receive personal phone calls. And we are also unable to leave the building till our shift is over. Please reschedule a time when I may call you from home at about 6pm weekdays, any time Saturday or if it must be before 5pm on a weekday then around 1pm or 2pm when I take my lunch and I will call you. Send me this information by mail to my home including the numbers I should call for the conference.

Thank you
