Case # GC-2008-0258

**Missouri Public  
Service Commission**

This letter is in reference to case # GC-2008-0258. As of April 09, 2008 this case has been cancel and dismissed so ordered Kimberly Jones.

However funds has been provided to assist Kimberly Jones in maintain her service with Laclede Gas.

The Agency that assisted Kimberly Jones with her heating bill provided \$281.00 that, should be credit to her account upon release of funds.

This has been a trying year and hopefully Kimberly Jones will never have to experience an unmetered again.

Speaking of Unmetered Laclede Gas do not have Kimberly Jones permission to change the meter. (if it's not broke don't fix it).

I feel it will cause problems in the future. I can say, you can not change meter, I'm the owner of my property. Rick Zucker place this letter in Kimberly Jones file.

Thank You all for you cooperation in this matter,

Kimberly Jones
