ORDER SETTING SCHEDULE FOR WITNESSES

Issue Date: April 14, 2009

Effective Date: April 14, 2009

On April 13, 2009, Kansas City Power and Light Company (“KCP&L”) and the Commission’s Staff (“Staff”) each filed a proposed issues list and proposed schedule for witness testimony. The Commission makes clear that the lists of issues submitted by the parties merely serve as a guide and as a structure for adducing testimony. The parties’ framing of the issues may not accurately reflect the material issues to this matter under the applicable statutes and rules, and the parties may not have included all of the issues that the Commission finds material to its final decision.

Based upon KCP&L’s and Staff’s suggestions, the Commission shall set the following schedule for the appearance of witnesses.¹ The hearing process is dynamic and fluid and changes to this schedule will be made during the evidentiary hearing. Witnesses listed on the schedule below shall appear on the days listed unless changes have been authorized by the Commission.

¹ The following conflicts were identified by KCP&L: KCP&L: Chris Giles - unavailable April 30 and May 1; William Downey—April 23-24; April 28 and April 30; Kris Nielsen – unavailable April 20-24, April 30; Michael Schnitzer – unavailable April 20-22 and April 27-29; Hadaway-unavailable April 27. Industrials: Maurice Brubaker - unavailable April 29- May 1. Adjustments to the hearing schedule will be made during the hearing to accommodate these witnesses when possible.
